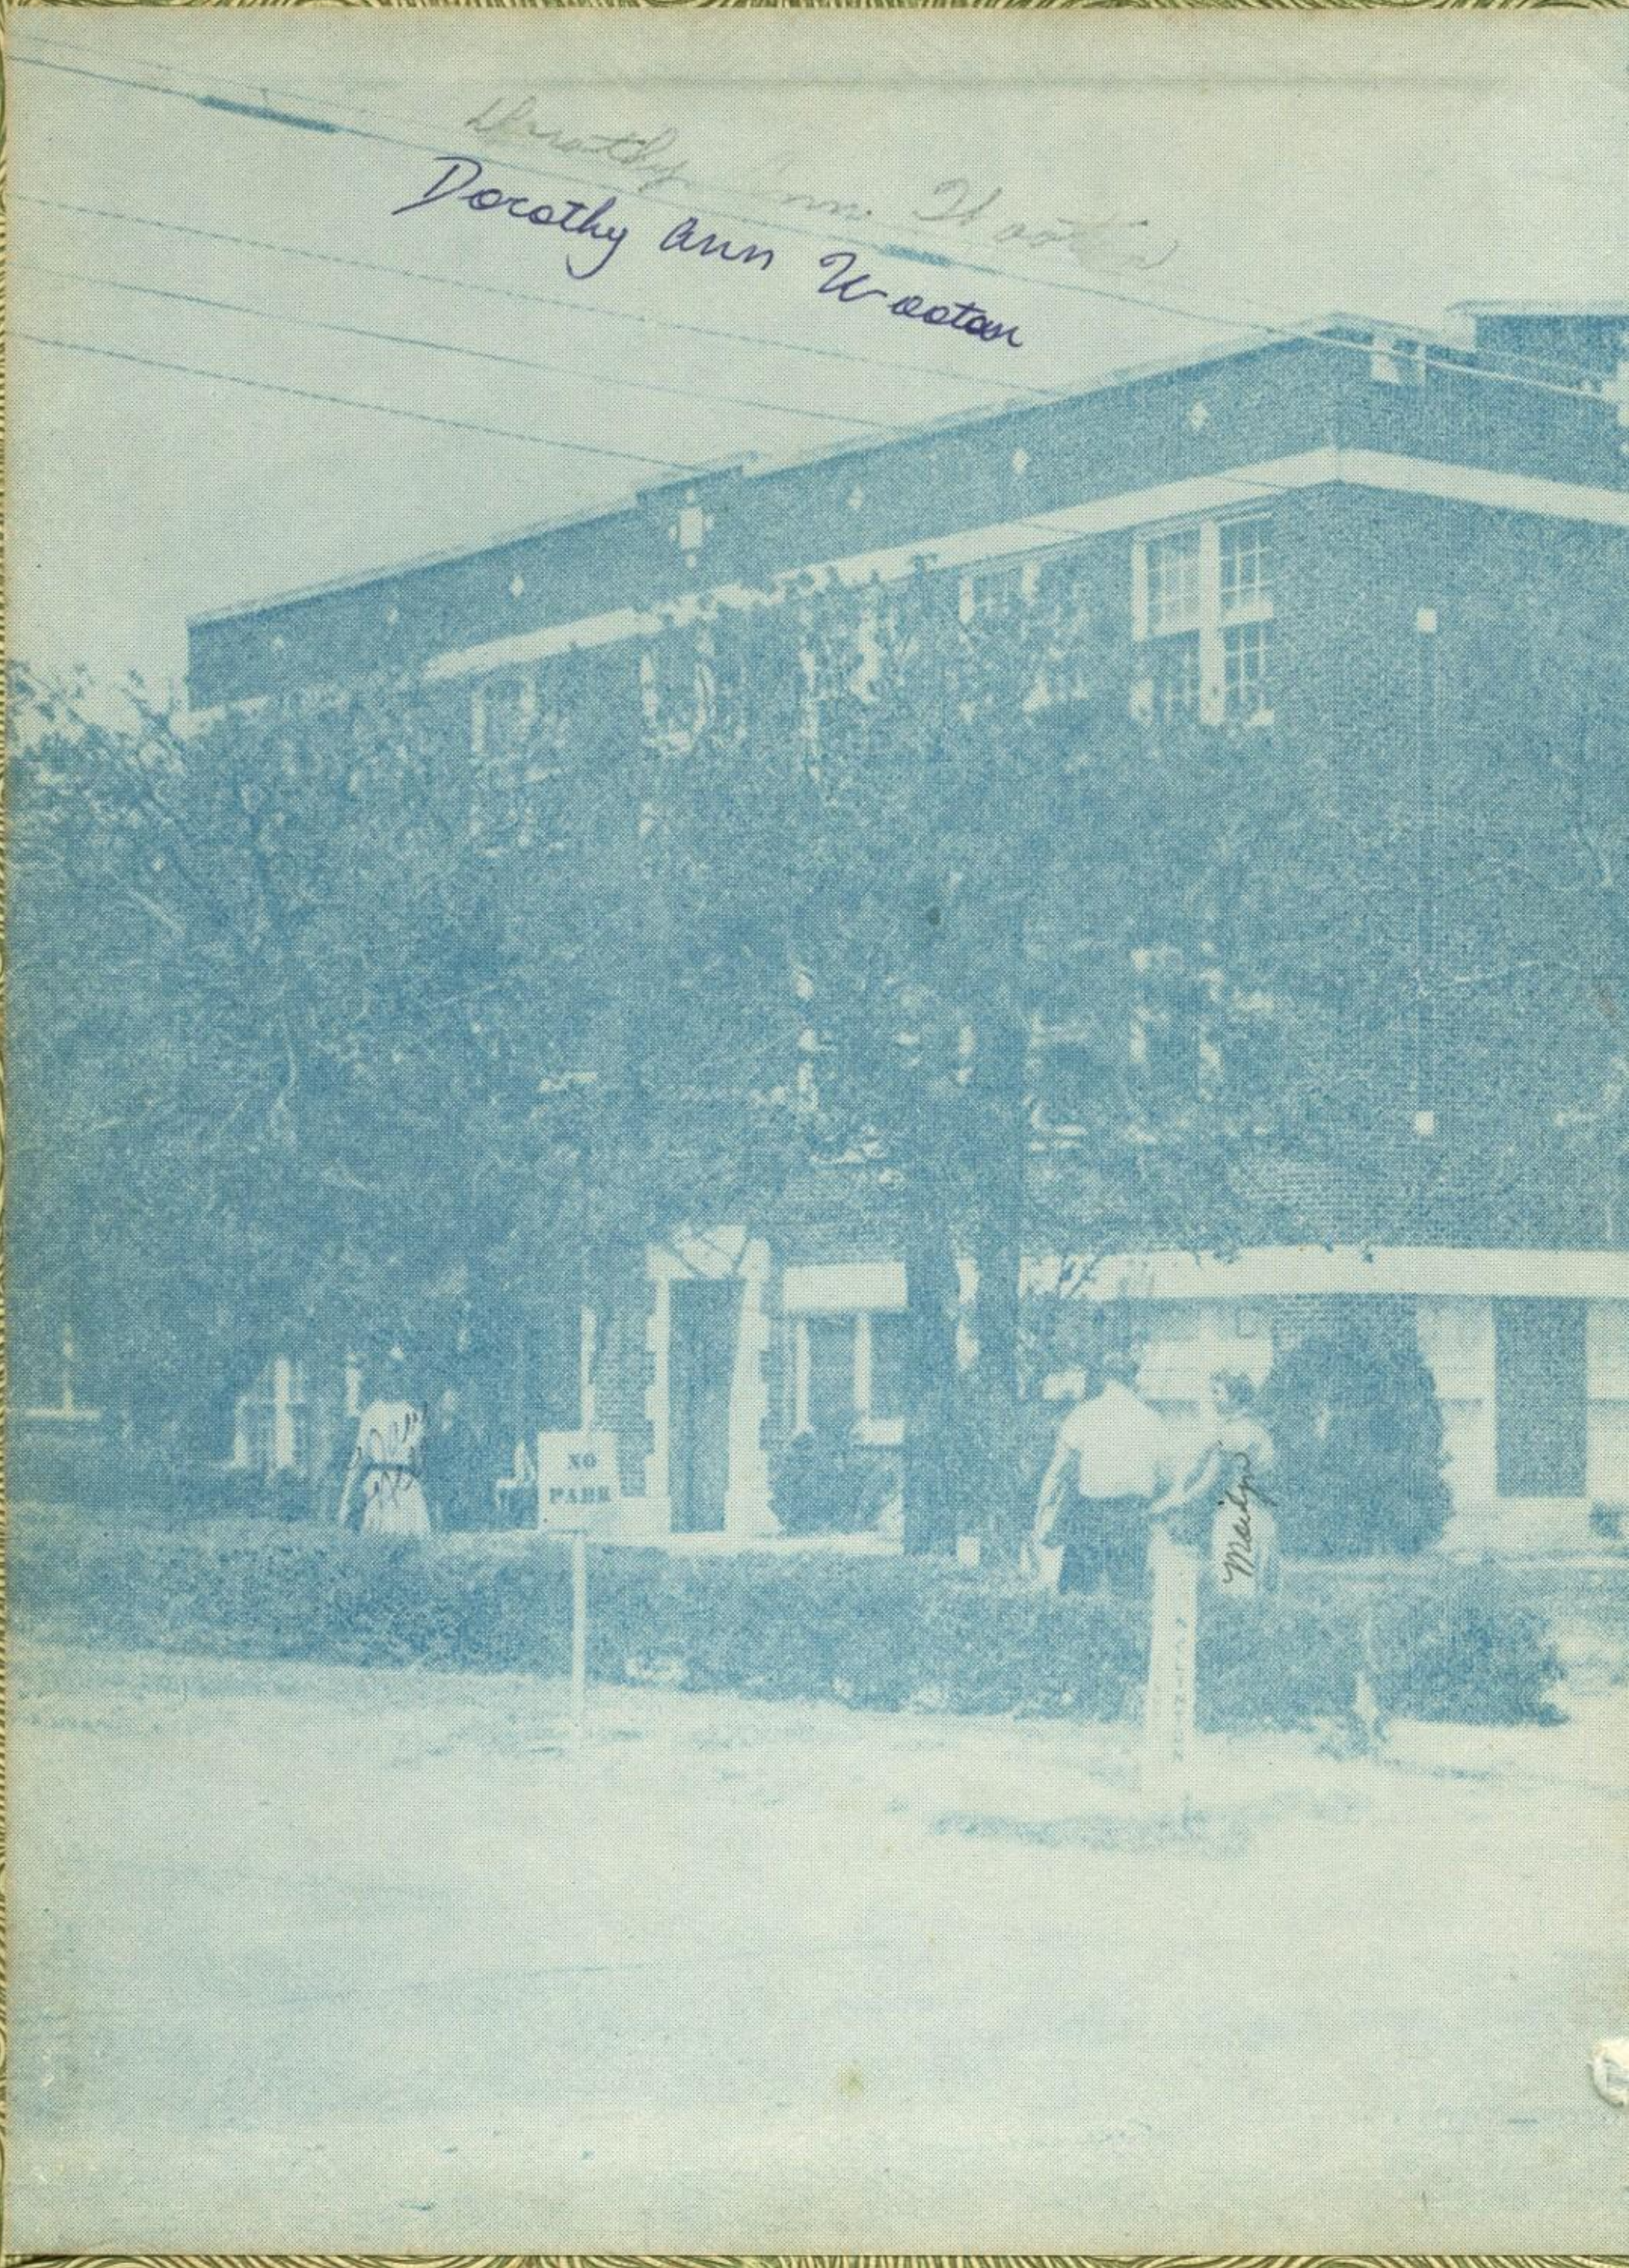
THE Yellow Jacket

1954

Dorothy Ann Weston



The 1934 Yellow Jacket

Dear Dorothy

It has really been a pleasure knowing you these past years. Your charming personality and pleasing ways have really made my life more enjoyable.

Good luck in all future undertakings. You are a really nice girl and I hope I am always thought of as one of your friends.

God bless and keep you.

Always, Marilyn

PUBLISHED BY THE STUDENTS OF
STEPHENVILLE HIGH SCHOOL
STEPHENVILLE, TEXAS

WHAT DO YOU HOLD IN YOUR HAND?

What do you hold within your hand today?
Oh conquerors? Rapacious, heartless men,
Defeated women children manifold,
The manumitted wrecks: for moulding clay?
Atomic bombs, patrols, peace writing pen?
Speak, speak, what will you do with that you hold?

— Mary Lou Ballenger

The thought of this poem has been the inspiration for the theme of this yearbook. And now, we strive to put into words the aspiration of the Annual Staff.

As a sculptor molds an image with his hands, so have we endeavored to provide for you, the student body, a volume which will be inspiring throughout the years to come, bringing back many pleasant memories as you glance through its pages.

We, the Annual Staff, present the 1954 Yellow Jacket

Dear Dorothy:

Going to school with you these past years has certainly meant a lot to me. You are really a sweet girl. Thanks for being a wonderful friend all these years. I am beginning to dread getting out of school because I sure am going to miss all the kids. Just continue to be yourself and you will always be a success.

Your friend,
Glynda Hook.

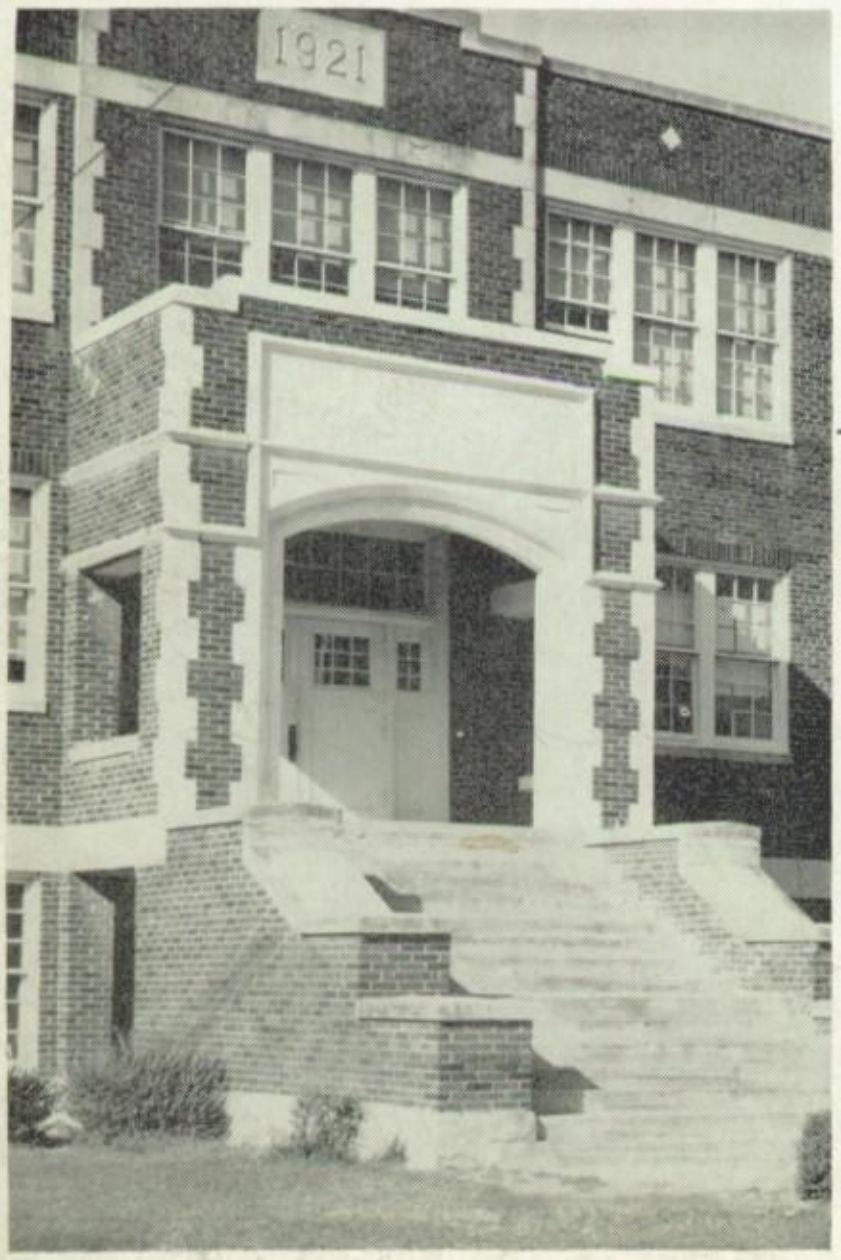
MAIN BUILDING

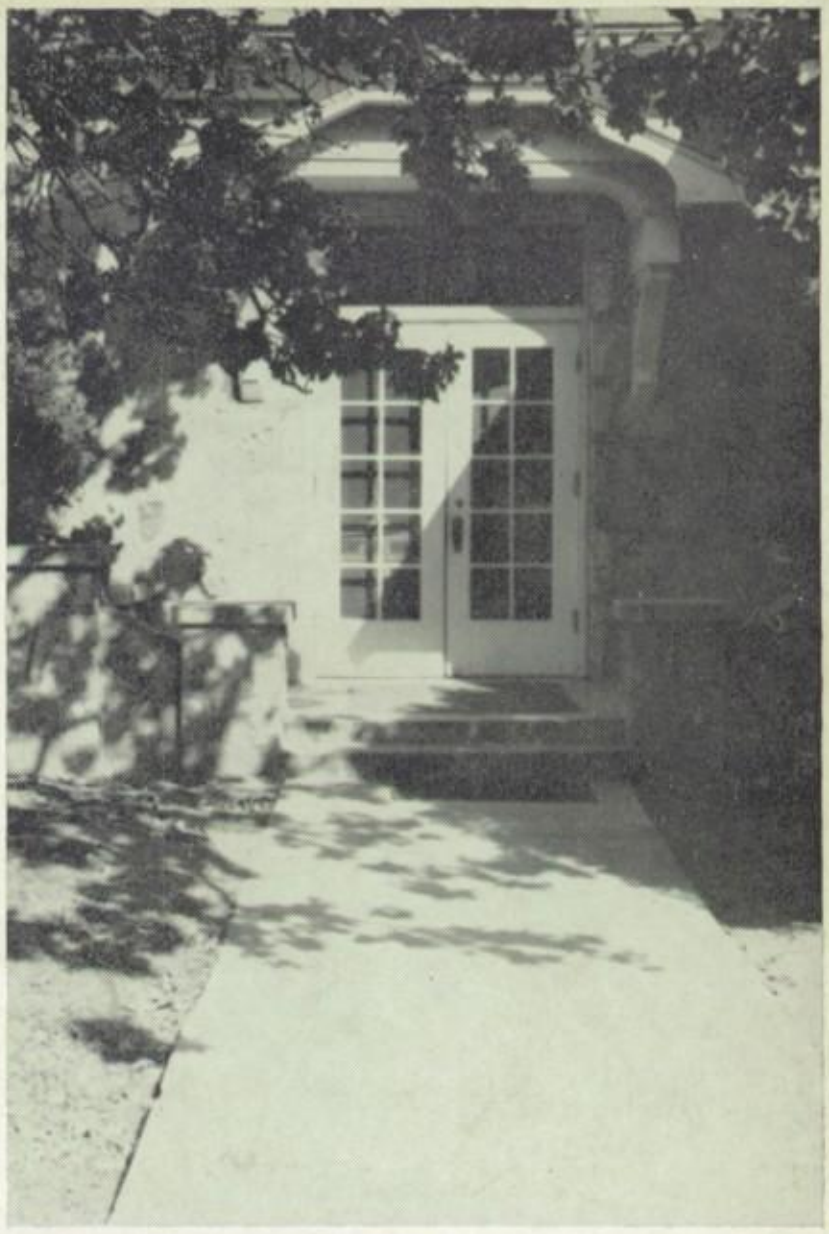


ENTRANCE

The main building, which houses the major part of our school activities, classrooms, the administration, and the library, was constructed in 1921 by J. C. Ray, and P. J. Sheehan and Company.

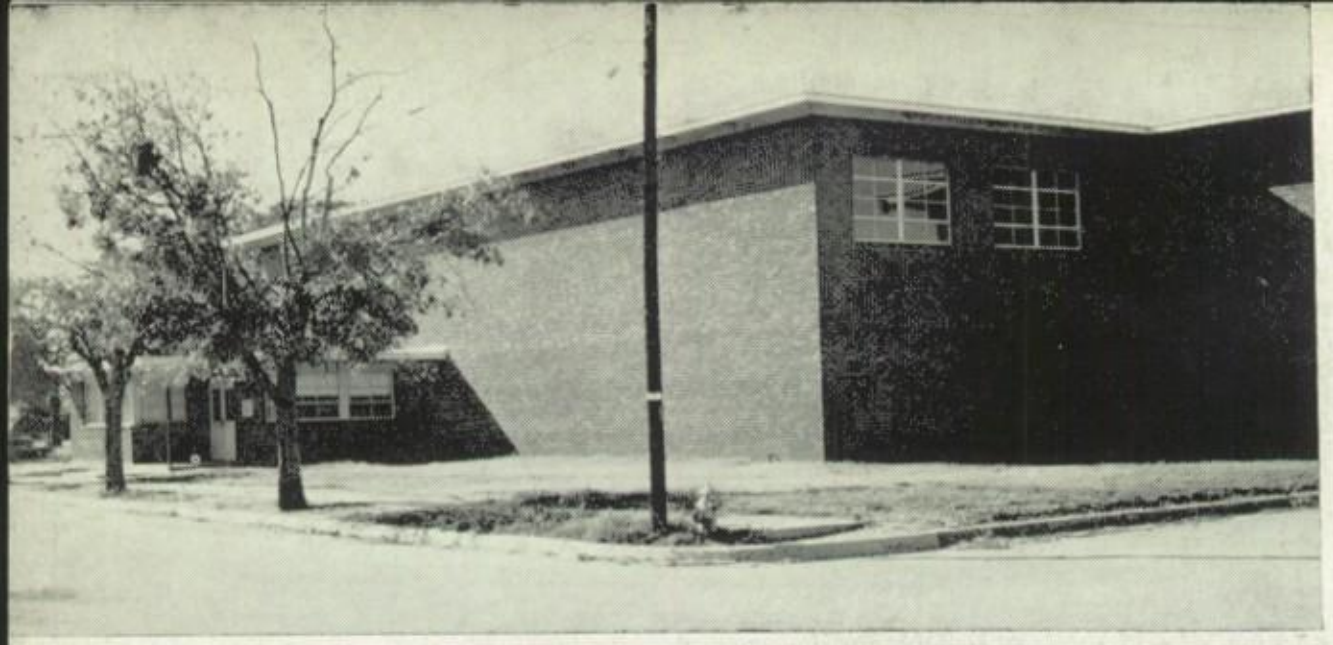
Mr. J. D. Bramlett was the first superintendent and S. C. Dykes was principal.

The Homemaking Cottage was erected in 1936. John Burnett was superintendent and Collin B. Jones was principal at this time.



ENTRANCE

HOME ECONOMICS



GYMNASIUM

ENTRANCE

The gymnasium was built in 1951, and was under the supervision of Eddie Williams. Stanley Brown was the architect. J. B. Merrell was superintendent of schools and Collin B. Jones was the principal.

DEDICATION

We the Annual Staff of 1954, dedicate this yearbook to — —

COACH ARNOLD JOHNSON

whose sense of humor, friendliness, and sincerity as well as his interest and devotion as a coach and teacher has endeared him in the hearts of the student body.

J. B. MERRELL, Superintendent

VANCE TERRELL, President

SUPERINTENDENT – J. B. MERRELL

We commend and congratulate the staff and sponsor who have so diligently worked to make this, the 1954 edition of the Yellow Jacket, the finest ever. May the records as compiled herein be a permanent source of pleasure and inspiration to each of you.

To each of the students whose portraits and names appear herein, we offer our most hearty congratulations for another fine year of democratic school life and profitable learning experiences. We feel sure that you will have a better tomorrow because of the fine fellowship and good wholesome personal relationships of Stephenville High School.

May Gods richest blessings be with each of you as you achieve greater wealth and fame as the leaders of tomorrow.

Sincerely,
Your Superintendent

J B Merrell

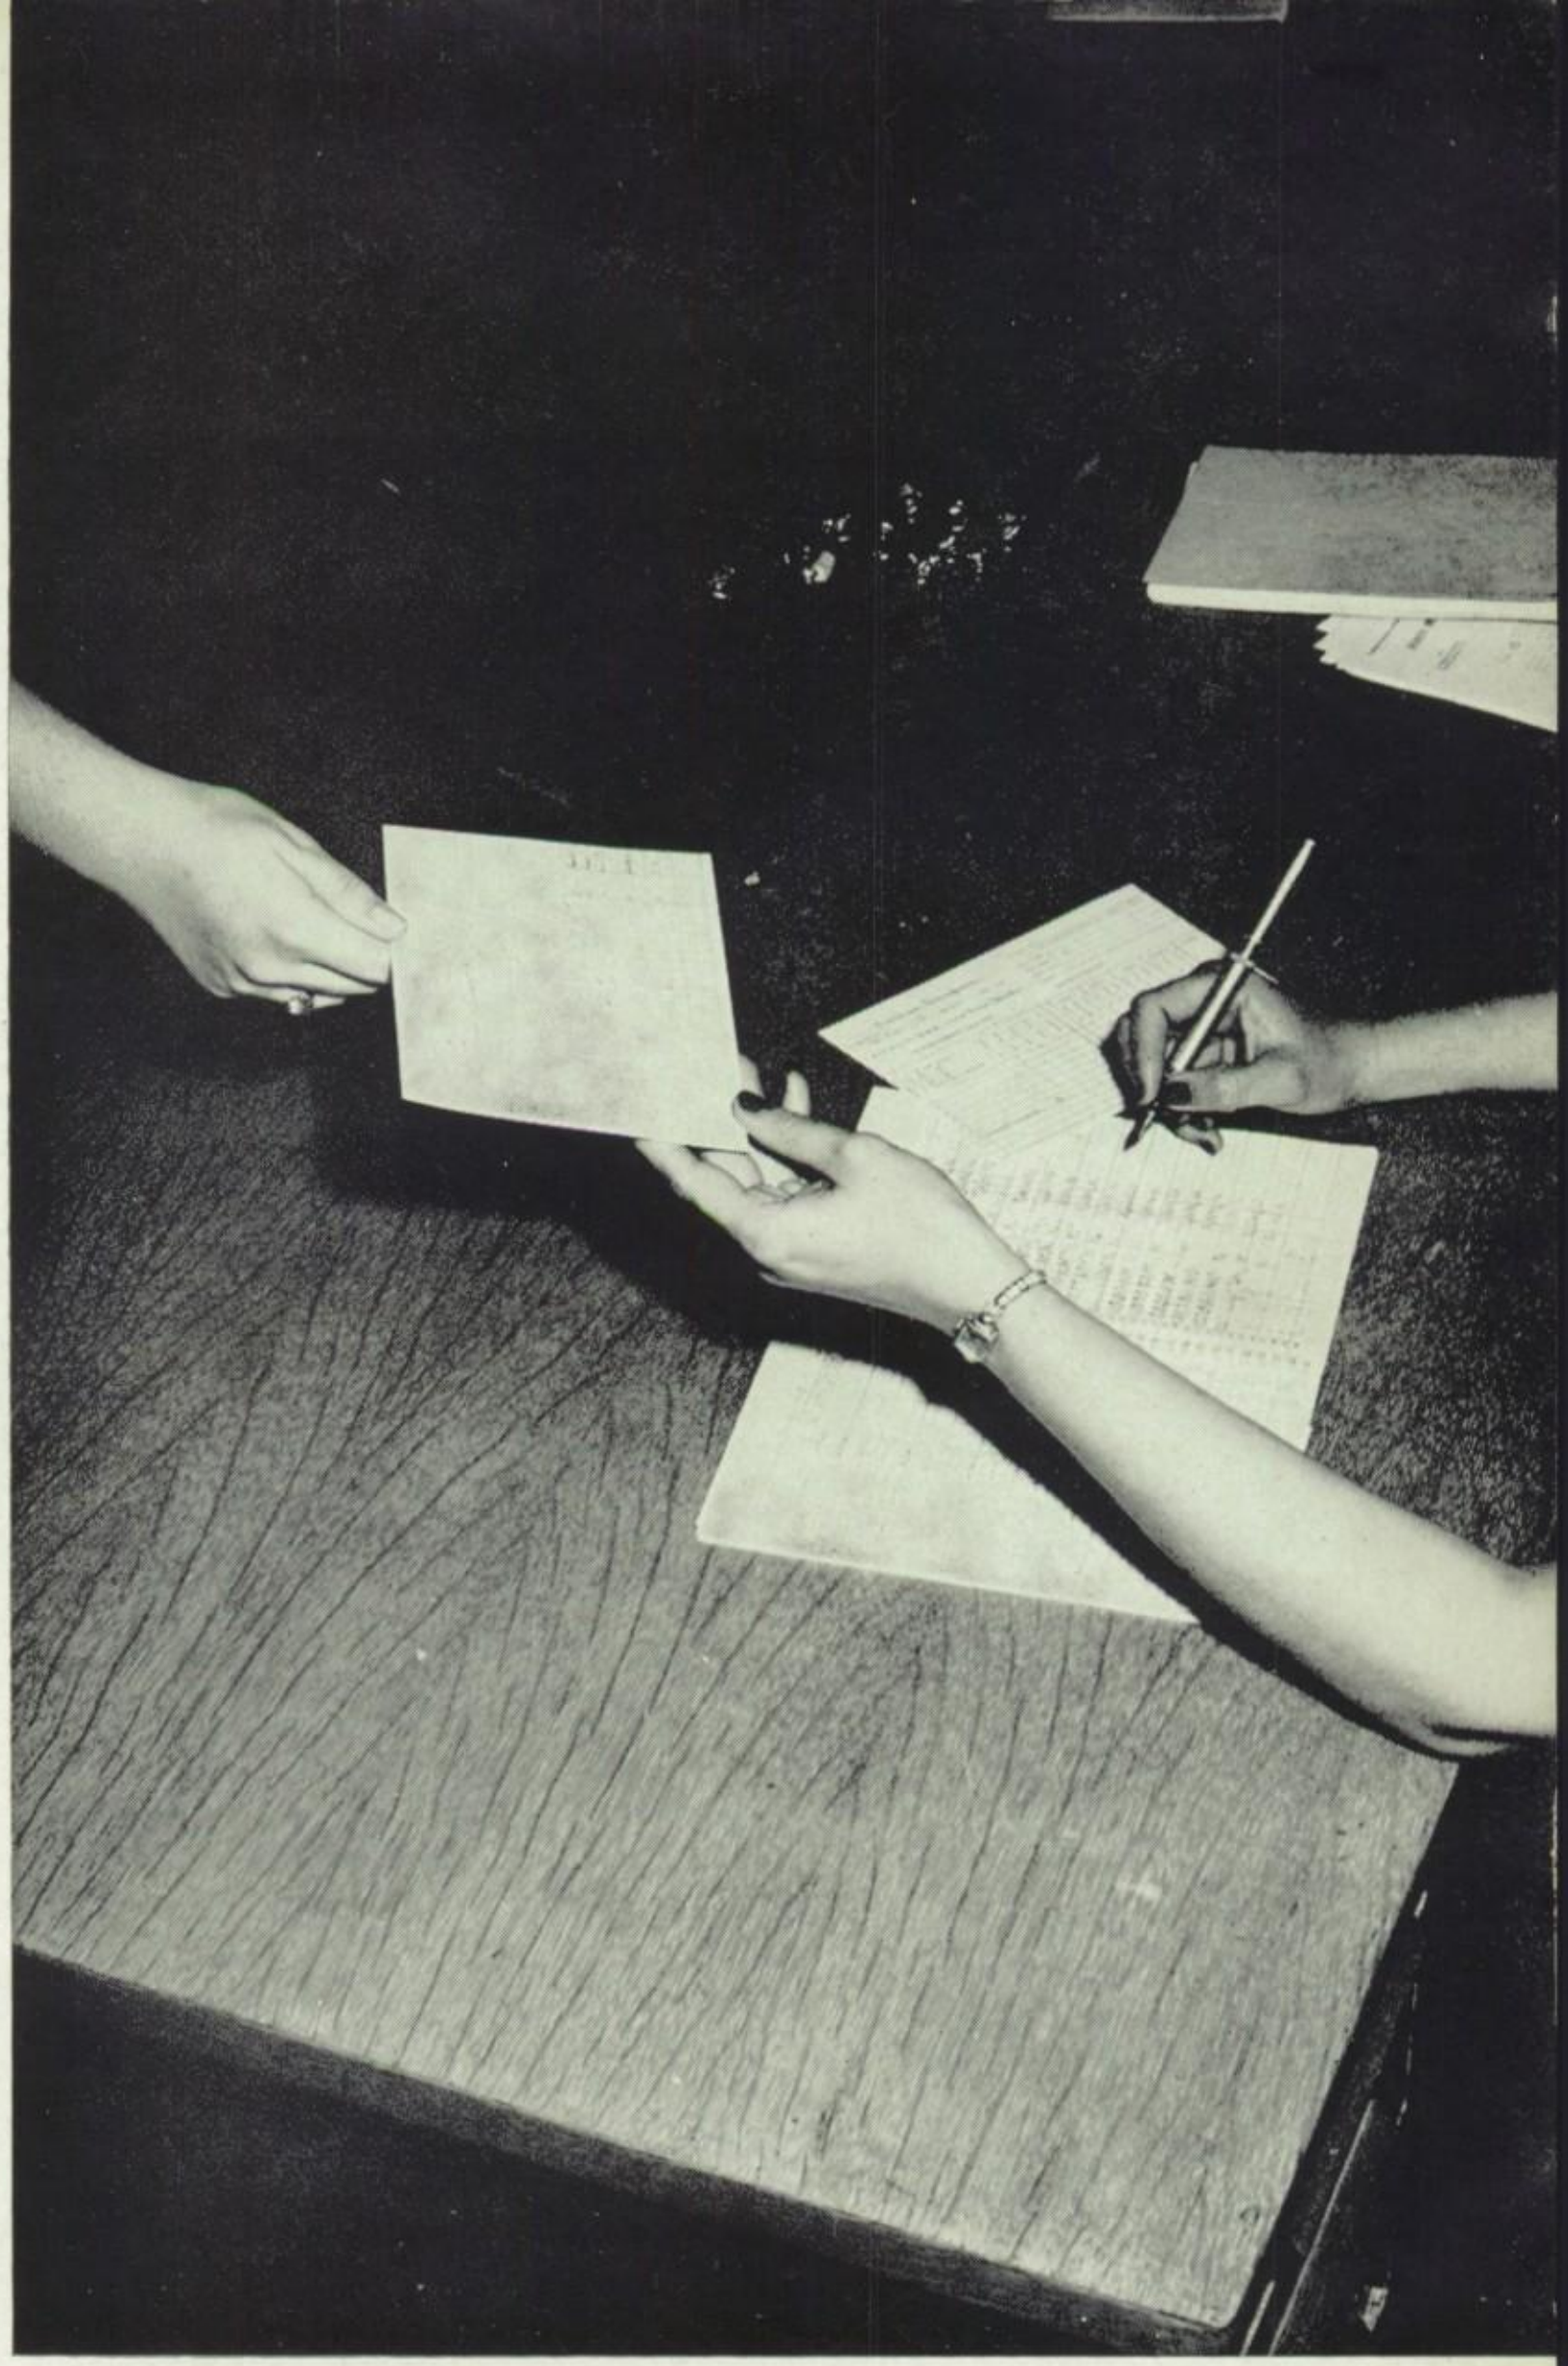
PRINCIPAL – COLLIN B. JONES

It is well that all of us, students and teachers alike, look forward with much enthusiasm to the time that we receive our annual each year. Both the members of the annual staff and the sponsor are to be congratulated in presenting this fine yearbook of 1954.

We have had an excellent school year. The harmony that has prevailed has contributed much to develop a very fine school spirit.

I hope that each of you will be permitted to live your lives in a world in which the different peoples have learned to live harmoniously.

Collin B. Jones



Something from our hands have power to live and act, and serve the future hour. —Wadsworth

Dear Dorothy,
I have really enjoyed going to school with you these past years. I wish you the best of luck and happiness in the world.. Remember me always, friend -
Douglas
Sr. 53, 54

When hands are linked that dread to part, And heart is met by throbbing heart. Oh! bitter, is the smart Of them that bid farewell.
— Irving

SENIORS

Graduation . . . diplomas . . . jobs . . . facing a new world . . . college . . . but always . . . thoughts of S. H. S. will be with us.

Our Junior year was our most active year in high school when we presented a play, sponsored the Junior-Senior banquet, and a Variety Show. Our other years equally happy and impressive.

JUNIORS

ACTION! that is the key word of the Junior Class of '54. Football game concessions, variety shows, plays, drives, all lead to the same goal—money for the Junior-Senior Banquet.

The class was well represented at each of the student activities, having an exceptionally energetic group of students and sponsors.

SOPHOMORES

The Sophomore class, as a whole, hasn't had much group participation this year, but every member has carried a responsibility in some recreational or educational activity.

Since our freshman year in high school, we have been looking forward to serving at the Junior-Senior banquet and especially, to the time which we will become the guest of the banquet.

FRESHMEN

The Freshman class of '54 consists of a large number of wonderful boys and girls. We plan to add all we can to the spirit and standing of the Blue and Gold as we go on through S. H. S. For a good start, our class is taking part in all available school activities, including athletics, band, orchestra, chorus, Stingerettes, Future Farmers, Homemakers, and various other clubs and organizations in the school.

Dear Dorothy,
I think it is unnecessary to tell you
that I have really enjoyed going to school with
you these past two years, but I just thought
I would remind you. My only regret is that it
will be our last year in S. H. S. together, but
I guess we all have to go some time. You
have certainly done well for yourself these past
years and if you will continue as you are
now, you will surely go very far in life. I
personally think you're a swell girl, and
this must be true because you are so
friendly and so many people like you and,
of course that is what counts. I'm wishing
you the best that God can offer because you
do really deserve it.
Yours very sincerely,
Dale

Flemmons running against Brownwood

...wsky, Pair, Coach Johnson.

Stephenville 12 **Brownwood 45**

The Yellow Jackets opened their season by playing the Brownwood Lions. They held the Lions to one touchdown in the first quarter. The Lions scored three touchdowns in the second quarter. No scores were chalked up in the third quarter, but in the opening seconds of th fourth, the Lions pushed over to score. This made the Lions 32 — Jackets 6. Two more touchdowns were made by the Lions, but Charles White took a 17 yd. pass from Flemmons and made the final score Lions 45 — Jackets 12.

FOOTBALL

On the night of the Yellow Jacket-Mountaineer game, captain's "Tick" Looney and Lonnie Leatherman, presented Billie Sue Martin as the 1954 Football Sweetheart of the Yellow Jackets. Billie Sue was elected by a unanimous vote of the varsity team. She was presented a bouquet of roses during the half-time by Lonnie and "Tick".

Kelley stuns Dublin

FOOTBALL

Stephenville 19 **Dublin 7**

The Yellow Jackets dropped their first game of the season, but they came back to win their second one, by overpowering the Dublin Lions. On the first touchdown drive, the Yellow Jackets went fifty-five yards in ten plays. Early in the third quarter, White took a pass from Flemmons for the second counter. In the middle part of the last period J. Kelley made the last touchdown from the Dublin two yard line. Jimmy and Ray Kelley, Smithey, Leatherman, anl Roberson were the outstanding players in the game.

COACH MIKE O. MURPHY

Although Coach Murphy started the 1953 grid season with only two lettermen, he took twenty-three boys which included nine seniors, seven juniors, and seven sophomores and developed a team that had plenty of speed and a considerable amount of weight; but, as the facts show, the team was plagued by inexperience. Coach Murphy was handed the task of making this group of boys into a squad of aggressive players as he had done in the past seven years. He developed them into a team that early in the season could give almost any team a tough game; and as the scores will prove, the Yellow Jackets gave a tougher fight than the opponents had bargained for. Truly, such an improvement must be credited to someone — Coach Murphy with his pleasing personality and optimism that refuses to accept defeat.

COACH ARNOLD F. JOHNSON

Coach Johnson, the line coach for the Yellow Jackets, did his usual fine job of encouraging all the squad to work a little harder and to improve their positions. It was Coach Johnson who briefed the experienced players and taught the inexperienced the fundamentals of football. With his persuasive personality he gained the cooperation and esteem of every player. He is undoubtedly the great asset to the Stephenville Yellow Jackets.

COACH ROY E. HARMON

When school began last fall, Coach Harmon was almost unknown to any of the students in S.H.S.; but within a few weeks he was liked and respected by almost everyone. He they have shown great promise for the future Yellow Jacket teams. The importance of freshmen. The boys rapidly gained a knowledge of the fundamentals in football, and they have shown great promise for the future Yellow Jacket teams. The importance of Coach Harmon's job for this year cannot be under-estimated by the Yellow Jacket fans.

Leatherman in stiff fight with Graham

STEPHENVILLE 7 **GRAHAM 28**

At the very beginning Graham showed that they were out to get a Yellow Jacket by an on-side kick that enabled them to recover the ball, and in eight plays go for a Steer touchdown. The only other touchdown made in the half was made by Graham, and this pushed their lead to a thirteen point margin. In the third quarter the Steers got a safety and a touchdown; they made one more touchdown in the fourth period. With less than a minute to play in the game, Jimmy Kelley ran up the center of the line for seven yards for the lone Jacket touchdown. Kelley, Leatherman, and White showed up very well on offense, while Ray and Jimmy Kelley, Roberson, and Gentzel were continuously stopping the tricky Steer Plays.

Dale Weathers anl Joe Arendell

FOOTBALL

THE MANAGERS

Joe Paul Arendell and Dale Weathers, managers for the Yellow Jackets this year, served the team well. They accompained the Yellow Jackets on all the football trips. Their jobs of wrapping ankles, fixing pads, running errands, cleaning and sweeping the fieldhouse, hanging up suits, and washing clothes were done to perfection.

They were always on hand to do what they could for the team. They bandaged cuts and helped the team spirit by keeping the boys laughing with their jokes and antics.

They will be a big help to the team next year.

Remember me by the time I ran to the wrong team!
Dale

TOP ROW: Coach Harmon, Littleton, Hoover, McClaren, Zimmerman, Denio, Carey, Bramblett, Stone, White, Hallmark, Bishop
BOTTOM ROW: McCrary, Hale, Starling, Basham, Hicks, Smith Weidner, Davis, Atkinson, Dunson

CHARLES ROBERSON

"Tubba was an outstanding player for the Jackets this year. This was his second year to be a starter and he was truly a great asset to the team. He was offensive end and defensive guard for the team, and his kick-off, extra points, and punting were very valuable. He was co-captain of the team.

JIMMY KELLEY

This was "Kelley's" second year as a starter for the Yellow Jackets. He saved many games by his hard tackles from the Yellow Jacket secondary and his runs that usually netted a minimum of four yards; but often he went all the way. He was valuable on offense because of his broken field running. He was co-captain for the Team.

ERIC LOONEY

"Coon" played for the first time since his freshman year, proved that he kept his talent by catching some of the most spectacular passes ever caught by a high school end. It seemed as though he could catch the pass better if five or six members of the opponent's team were trying to guard him. His touchdown pass receiving helped the Jackets in about half of the games. He will be missed next year.

JERRY FLEMMONS

Jerry was transferred from end to quarter-back during spring training where he proved that this was a valuable switch because of his long, accurate passes. Although he was hampered by an injury a large portion of the season, he was very valuable to the team for his passing, long punts, and blocking in the backfield.

CHARLES WHITE

"Charlie was one of the smallest of the starters, but his speed and headwork made up for his size. He always played best when the chips were down. He was known especially for making long runs and catching long passes. He was perhaps the most valuable man on the team because of his willingness to encourage his team-mates and to raise the whole team moral. He will be missed very much next year.

DAN LANE

"Lard" was a player that could really do the job well. Playing his second year for the Jackets, his centers could always be counted as being good. On defense he was very good in the linebacking position, and his love for the game was so great that he was always the last man in from scrimmage. His playing will be missed greatly by the Yellow Jacket team next year.

MAX SMITHEY

Max, a senior, played football for the first time this year, but he played like a veteran of defense and made many hard runners want to go the other way. He received an injured hand early in the season and a broken leg at mid-season, but he still came back to play his best game late in the season. His will and determination will be missed.

LONNIE LEATHERMAN

Lonnie started the season by playing half-back, but he soon took up the position of quarter-back and let the opponents know it. He had never thrown a pass, but he became capable of completing almost fifty per cent of his short jump passes before the season was over. He made the toughest defense game by his stubborn keeper plays. With one more year of eligibility, Lonnie should get state wide attention.

"KEN" PAIR

"Ken" was a hard hitting tackle for the second year. He not only stopped the opponents offense, but also made some huge holes in their defense and enabled the Yellow Jacket offense to go. With one more year to play, Pair should really be able to shove the opponents around.

CARROLL GENTZEL

"Gunt" was one of the smallest regulars on the line, but his size didn't matter. He had the punch and speed of a piston. It was a long punch and hard enough to move almost any 200 pound tackle out of his position. He would throw himself into a slashing tackle and make the opponent want to run the other way. "Gunt" will surely be one of the outstanding tackles in the district next year.

DON CLEVELAND

Don was the fastest man on the team and being only a sophomore, he should be one of the best backs in the state in two years. With his weight and speed, the only thing he lacked this year was experience, and he gained plenty of that. In several games, he showed what can be expected of him during the next two years.

STEPHENVILLE 6 WINTERS 21

The Yellow Jackets journeyed to Winters for their third game and started it with only seven of the regulars playing. But even at that, Stephenville, in the first quarter, went senventy-eight yards in only two plays. This was from a thirty-five yard pass and run play from Flemmons to "Tick" Looney. In the next play Jimmy Kelley caught a screen pass from Flemmons and ran for the only Jacket counter of the game. The Blizzards scored in the second period and on two times in the fourth period, making a final score—Stephenville 6 and Winters 21. On offense J. Kelley, Leatherman, Looney, and Flemmons were outstanding, while Roberson and Ray Kelley were outstanding on defense.

STEPHENVILLE 7 GRAHAM 28

At the very beginning Graham showed that they were out to get a Yellow Jacket by an on-side kick that enabled them to recover the ball, and in eight plays go for a Steer touchdown. The only other touchdown made in the half was made by Graham, and this pushed their lead to a thirteen point margin. In the third quarter, the Steers got a safety and a touchdown, while they made one more touchdown in the fourth period. With less than a minute to play in the game, Jimmy Kelley ran up the center of the line for seven yards for the lone Jacket touchdown. Kelley, Leatherman, and White showed up very well on offense, while Ray and Jimmy Kelley, Roberson, and Gentzel, were continuously stopping the tricky Steer plays.

STEPHENVILLE 19 COMANCHE 34

This game was the first conference game of the year for both teams. The experts said that Comanche had this won if they ever got the ball: but for the whole game, it looked as though they might be wrong. The breaks went about even. In the first quarter, Comanche made one touchdown and a little later in the same period Eric Looney caught a pass from Flemmons and made the first Jacket tally. In the second quarter the Indians made two touchdowns. Early in the third quarter Leatherman broke through the tough Indian defense and went thirty-three yards for the second Jacket touchdown. Comanche scored one in the third and fourth quarters to make their score thirty-four points. Late in the fourth quarter the Yellow Jackets went over eighty yards in seven plays for the final touchdown. Looney made fifty of those yards on one of the most brilliant catch and runs of any Yellow Jacket player all year. With a tight pass defense he took the pass and ran thirty yards. Looney scored on another pass in a twelve yard run, which was two plays later.

STEPHENVILLE 13 CISCO 13

With Cisco taking the breaks of recovering three Yellow Jacket fumbles during the first half, the Lobos led by 13—0, but in the second half Kelley and Leatherman made a touchdown march with Kelley ending it with a plunge over right tackle and a touchdown. The conversion failed, however. With less than four minutes left to play, Leatherman on a dramatic fourth down pass threw to Looney who grabbed the ball in the end zone. After this dramatic catch, Roberson tied the game with the conversion. The score was Stephenville 13—Cisco 13.

STEPHENVILLE 13 WEATHERFORD 6

Stephenville entered this game as the weaker team, but they were to prove to the Kangaroos that they were not going to be denied at least on conference win. The "Roos" got their only tally in the second quarter. White took the kickoff and ran it back three yards, but the Jackets fumbled on Weatherford's seven yard line. In the third quarter, White snatched an enemy pass and ran over half the field for the Jackets' first tally. Jimmy Kelley ran twenty-three yards for the second touchdown. Charles White, Jerry Flemmons, Jimmy Kelley, and Don Cleveland were the spark plugs for the offense, while Smithey, Ray Kelley, Roberson, and Sam Wall were the important men on defense.

STEPHENVILLE 13 MINERAL WELLS 13

To end the '53 football season, the Yellow Jackets were hosts to the Mineral Wells Mountaineers. During most of the first half, all of the Mountaineer's drives were stopped by fumbles, and on one occasion, a Mountaineer fumble turned into a dramatic eighty-six yard touchdoown run by "Ken" Pair. Roberson made the conversion after the tally. For the other Yellow Jacket score, White intercepted a pass and ran to the Mountaineer twenty-six, while Don Cleveland took honors and ran six yards up the center of the line for the score. Both Mountaineer tallies came during the third period, thus tying the score 13—13.

INDIVIDUAL SCORES

Looney	523
Savage	186
Leatherman	119
Jones	116
Roberts	108
Roberson	95
Dove	34
Woods	13

Left to Right: Coach Harmon, Jones, Turley, Heffington, Denio, Looney, Leatherman, Roberts, Roberson, Woods, Savage, Dove, Coach Murphy.

NORMAN SAVAGE
NORMAN played his second year as a starter and was considered to be one of the best ball handlers in the district.

"TICK" LOONEY
"KOON'S" record speaks for itself. He was a starter for four years and he probably was one of the best forwards in the state and the best player ever produced by S.H.S.

LONNIE LEATHERMAN
LONNIE was another starter from last year's team. He was outstanding on defense as well as being one of the high scorers for the Yellow Jackets.

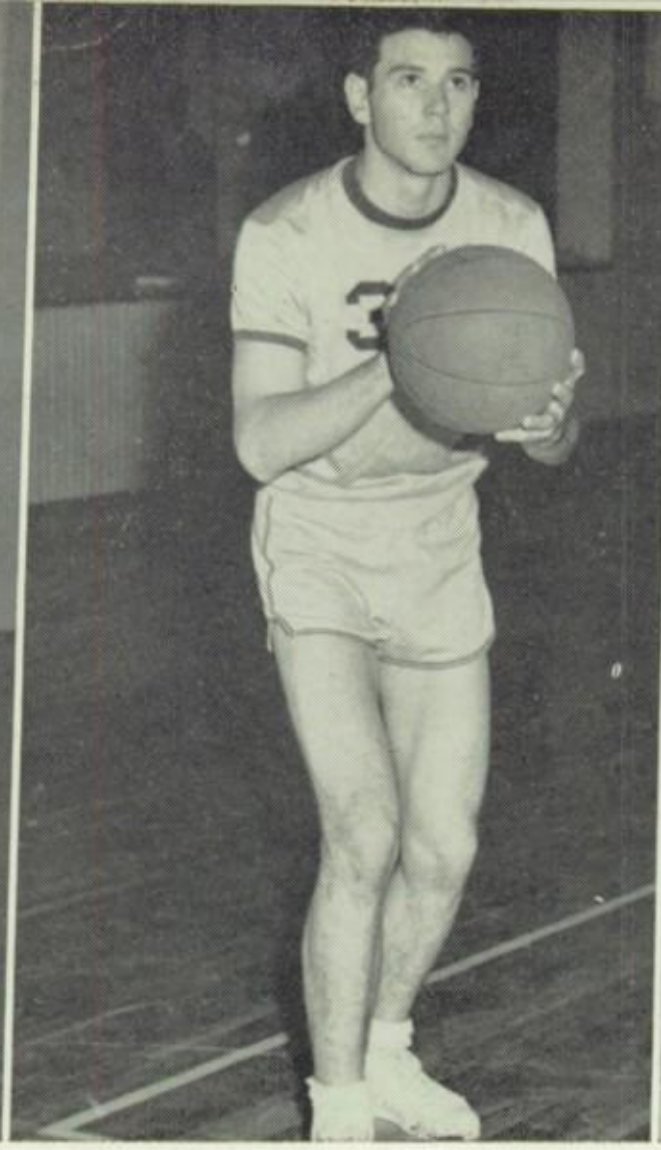
BASKETBALL

"TUBBA" ROBERSON
"TUBBA" was playing his second year as a starter for the Yellow Jackets and was one of the best defensive men in the district.

BOBBY DOVE
BOBBY was the smallest player on the team, but he had an eye for the basket that made him one of the valuable players this year.

TOMMY HEFFINGTON
TOMMY loved the game in such a way that he worked hard all year. He should help the Jackets very much next year.

CARROLL ROBERTS
"BEVO" was fresh from the "B" team, but he showed great promise this year to be one of the best Yellow Jacket player next year.



DAVID HOGG
DAVID was a boy with a lot of natural ability and he showed great promise, but for some reason he quit before the season started.

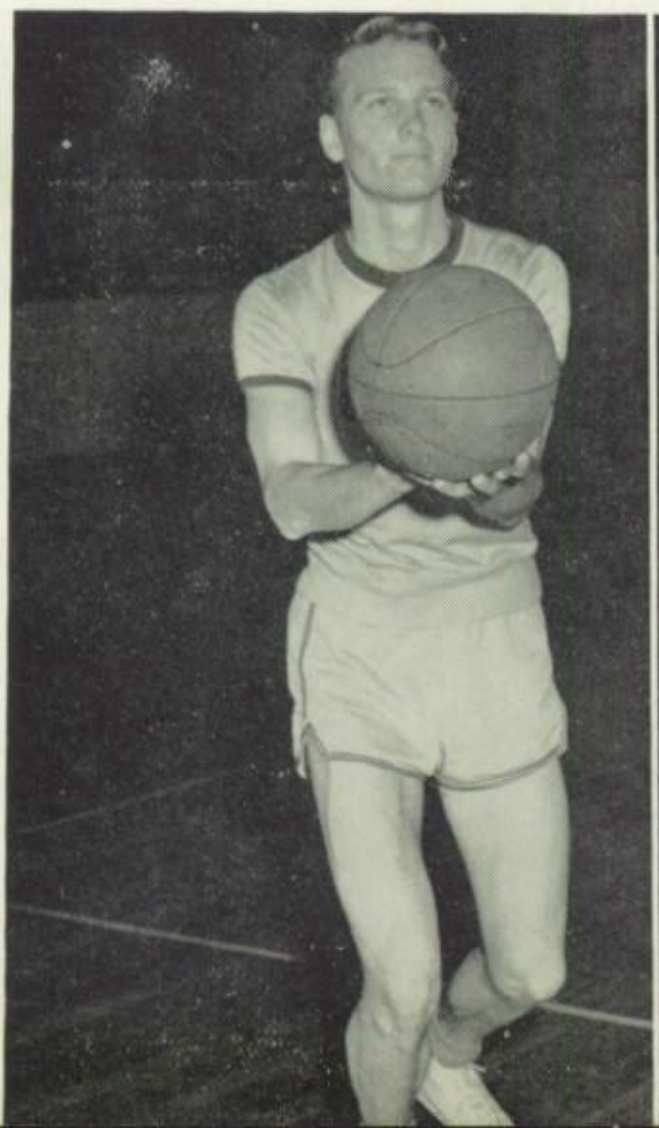
COVELL JONES
COVEL was the little man that put the spark into the cage team this year. With his crack shooting, he should be one of the best players in the district next year.

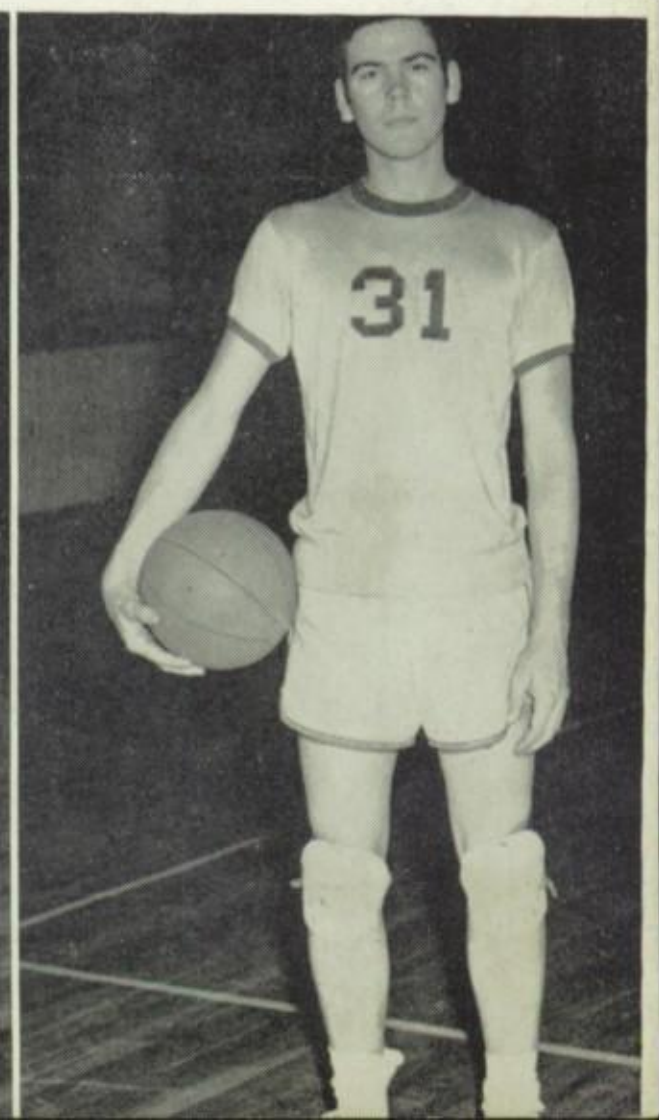
1954

GENE DENIO
GENE was beginning to play very well, but in mid-season he dropped school and served his country in the navy.

GERALD WOOD
GERALD was only a substitute this year, but he showed the ability of becoming one of the starters for next year's team.

AUNDREW TURLEY
AUNDREW was one of the best defensive men on the team this year, and with more experience he should be a great asset to the cage team next year.





"B" TEAM

The "B" team was made up of mostly freshmen and sophomores this year. Although they lost about fifty-five per cent of their games, they had an unusually fine offense.

During the first of the season the team looked rather "shabby" on both offense and defense, but as the season progressed, so did the team. By the end of the season the members were playing well enough to assure all Yellow Jacket fans that more district championship teams are on their way.

The players showing up unusually well in shooting were Jerry Houston, Bob White, and Johnny Weidner; while Donald Davis, Rex Carey, and Randel Hoover will be the outstanding handlers in the future.

STANDING: Coach Harmon, Yardley, Brooks, Hale, S. Davis, Weidner, Weathers, Carey, D. Davis, Starling, Moore, Woods.
FRONT ROW: Zimmerman, White, Denio, Stone, Houston.

Strehlk

CAROL ANDERSON Forward

Carol was not only the second high scorer for the "Honey Bees", but she was considered to be one of the best ball handlers in the district.

LOUISE HAIL Forward

"Bean" looked like any other girl basketball player, but her grand total of 409 points proved that she was surely one of the best forwards in the district.

MARY LANEY Forward

Last year Mary was the high scorer for the team, but due to illness this year, she was unable to play. There is no doubt that the "Honey Bees' missed Mary's hoop shot.

1954

NORMA CARTER Guard

Norma was the fastest guard on the team and one of the best. With her urge to play basketball, she should do very well during the next two years.

MARVA CARTER Guard

Marva was one of the calmest guards on the team. In most cases, this wouldn't help a player, but she managed to keep her mind clear and that enabled her to take the ball away from the opponents.

GLYNDA HOOK Guard

Glynda didn't get to play much during the first part of the season, but as the season developed, so did she, and by the end of the season she was one of the main substitutes

CLAUDIA LANEY Forward

Claudia was a real hustler and, perhaps one of the most valuable substitutes, due to her ability to play both offense and defense.

RHODA PETERS Forward

Rhoda gained valuable experience this year and with two years of eligibility, she should do great things in basketball. She was one of the best handlers on the team.

HAZEL CRABTREE Guard

Hazel showed promise of being an outstanding guard. With her ability to make herself do things, she should be able to accomplish much for the team.

BASKETBALL

RUBY SNOW Guard

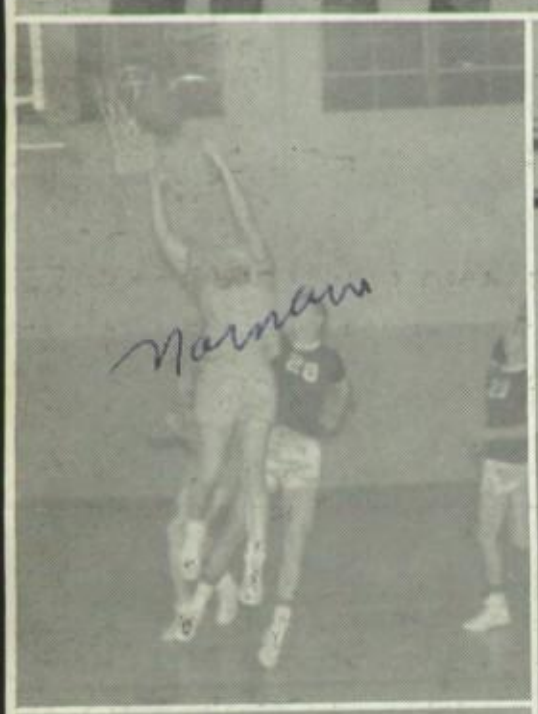
Ruby was one of our best guards, due mainly to the will to play. She should really do fine defensive work next year.

GLENNA YANCY Guard

Glenna showed the determination it takes to become a basketball player and if she continues to play, she should be able to make this come true.

CAROLYN ROBERTS Guard

"Karo" was the tallest player on the team and she was liked by everyone. The "Honey Bees" can surely depend upon her to put in some excellent defensive work next year.



Girl's trophy — "Tick" shoots — Laney tries one — Coach Murphy and Heroes — Tubba passes — Tubba jumps
Norman's jump shot — Lonnie screens Weatherford — Eric makes 2

TRACK

Since the Yellow Jacket was printed before any of the track meets were held, it was impossible to give the results of the track team of '54. The team did, however, show high promise during the early workouts by having someone good in every event of track.

JOE GASTON—Joe is a sophomore and during early training in the high jump this year, he looked as though he would do well in any of the meets that were held.

JOHNNY TACKETT—Johnny has a lot of natural ability when it comes to running long distances. He should do very well for the next two years in running the mile.

KENNETH PAIR—Ken, the senior tackle for next year's football team, was showing the ability of being outstanding, not only in throwing the discus, but also the shot put.

BOB WRIGHT—Bob came out for pole vaulting. He improved very rapidly as he gave up every afternoon for training for the pole vault. He should add many points for the team's total this year.

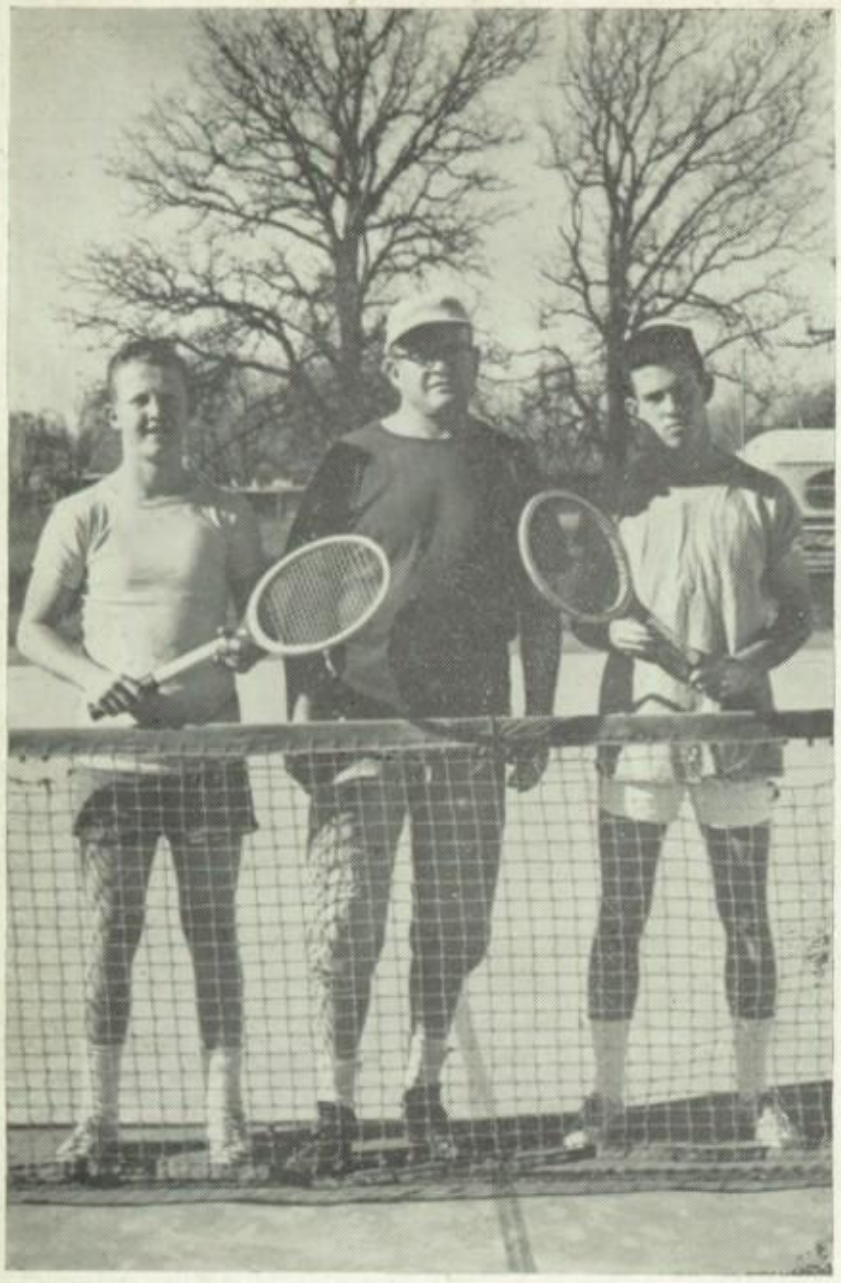
GERALD WOOD—Gerald will be broad jumping and pole vaulting his second year for the Yellow Jackets. On the basis of his record last year, he should be one of the best trackmen in the district.

CARROLL GENTZEL—Carroll was gaining speed for one of the hardest events in track during winter workouts. This event is the "880". He will probably go far this year in this event.

DON CLEVELAND—Don is without a doubt the fastest runner in S. H. S. He is running the one hundred yard dash, and the two-twenty yard dash. With two more years to improve, he should become one of the best trackmen in the district.

JAMES FOWLER—James started getting into "shape" last fall. His relentless effort will enable him to do very well in both the "440" and "880".

BACK ROW: Joe Gaston, Johnny Tackett, Kenneth Pair, Bob Wright
FRONT ROW: Gerald Wood, Carroll Gentzel, Don Cleveland, James Fowler.



Jimmy Kelley, Coach Johnson, Lynn Banowsky

TENNIS

MARILYN FRAZIER

Marilyn is the only girl entering the interscholastic league in tennis this year, but she will probably do well enough in singles to show the teams that S.H.S. has girl's tennis as well as boy's tennis.

JIMMY KELLEY

Jimmy was the district champion last year in singles. He will probably repeat the same honor this year in both the singles and the doubles. His quick thinking, along with his quick acting, makes him one of the best tennis players in the state.

LYNN BANOWSKY

Lynn has improved in his tennis this year, and he probably will win the district title in the tennis doubles along with Jimmy. S.H.S. can expect much from Lynn next year.

Let's go hand in hand, not one before another. — Shakespeare

BAND

Jeanne Bledsoe, Mr. Grantham, Ben Jones

Every year the Stephenville High School Yellow Jacket Band has progressed farther into the field of music, but this year its advancement has been exceptionally better. Shortly after our new director, Mr. Grantham, arrived, he started recruiting new band members and organizing our Parents Band Fan Club. They have done a wonderful job of sponsoring the band and acquiring for its members new uniforms of the latest styles.

The uniforms arrived just in time for the band's performance in the Tarleton Homecoming activities and Tarleton's marching contest, in which the band won a first place. The band members are especially looking forward to their interscholastic league contests and their annual Band Banquet which will be held near the closing of school.

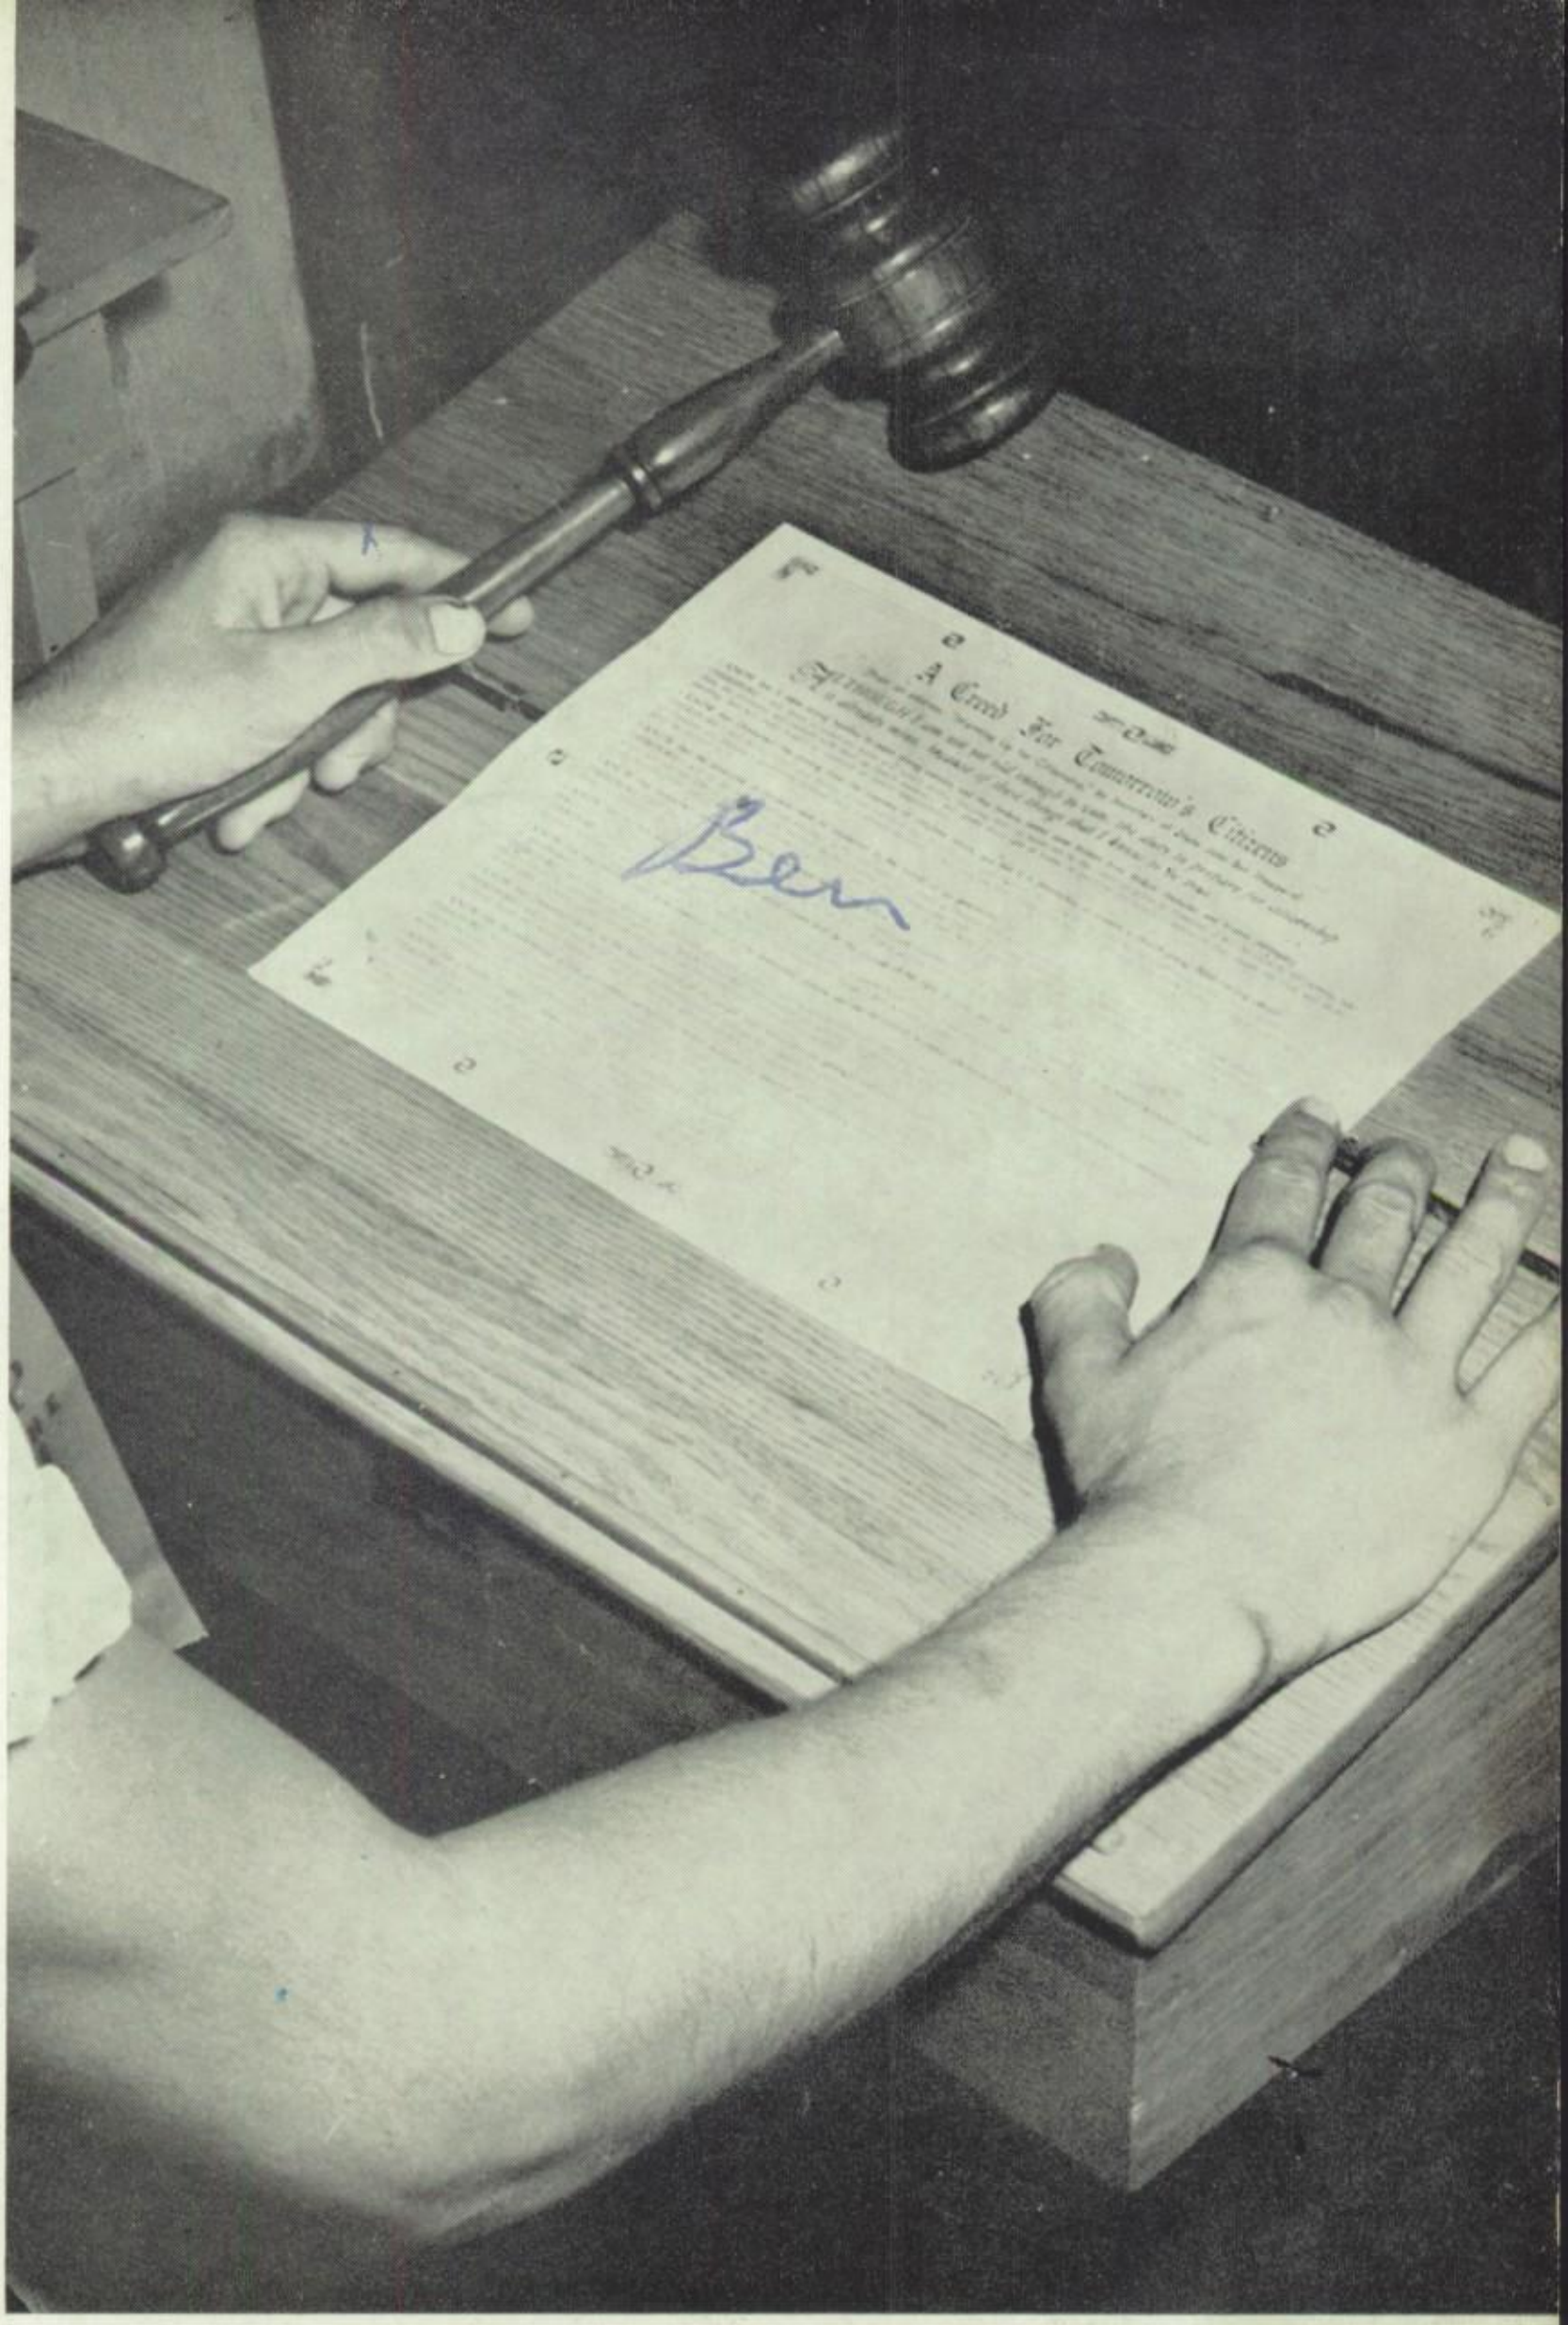
STAGE BAND

CHORAL

This year the choral, under the leadership of Joseph C. Grantham, made several appearances. They sang at the Lions Club, Parent's Day, Assembly, over the radio, and gave a concert. Several students were selected as members of the regional choir and two were sent to the All-State Choir.

STINGERETTES

In the early fall of '53, a group of thirty-six high spirited girls organized to form the Stingerettes. These girls preformed with the band during the half-time activities of the football games with their marching and twirling routines. The Stingerettes added zest to our school spirit and helped make a good football season for the Yellow Jackets. The officers of this group were: Drum Majorette and President, Bettye Wood; Vice-President, Becky Allison; Secretary-Treasurer, Linda McMahan; Sgt.-at-Arms, Glynda Hook. The Stingerette Beau was Max Smithey.



"Now join your hands, and with your hands your hearts."
— Shakespeare

STUDENT PARTICIPATION

BEN JONES	President
NORMAN SAVAGE	Vice-President
DAVID CUNYUS	Secretary
CHERE ROBERTS	Treasurer
MISS RUSSELL MISS WILLIAMS MR. MOSER	Sponsors

COUNCIL

The binding link between the students and the faculty is the Student Participation Council.

The S. P. C. participates and aids in many school activities. For instance, during the past year, it had charge of the concession stand in the recreation room and the assembly programs. With the help of the student body, this organization sent a Christmas package to an under-priviledged family. It also supported "The Stinger", our school paper.

To promote better citizenship throughout the student body is one of the chief aims of the S. P. C. Each morning, reveille is observed. Dan Lane and Carroll Gentzel were appointed flag raisers; Lynn Banowsky is the bugler.

Members of this organization are recognized scholastically as well as socially because they are required to have a "B" average. The S. P. C's. membership is composed of seven students from each class; three boys, three girls, and the class president. The student body president is automatically a member.

Lynn Banowsky blows the bugle each morning for reveille.

Dan Lane and Carroll Gentzel raise the flag each morning in front of the school.

Mr. Moser and Miss Williams, two of the sponsors; Bob Hanover and Dale Weathers, two students, work in the concession stand.

FUTURE TEACHERS OF AMERICA

A child, whether he be an Italian bambino or a little Lord Fauntleroy, is the concern of the J. Thomas Davis Chapter of the Future Teachers of America.

On March 4 the F. T. A., with the help of the D. E. Club, presented three one-act plays; "Along Came Harriet", "Wilbur Takes His Medicine", and "If Men Went Shopping as Women Do". The proceeds were used to buy phonograph records for the school record library.

The club members attended the State F. T. A. Convention at Denton, Texas, on February 18, 19.

OFFICERS: Mrs. Golden, Sponsor; Sammy Wall and Sharon Wilson, Sergeant-at-arms; Billie Sue Martin, treasurer; Virginia Smith, secretary; Jimmy Kelly, vice-president; Norman Savage, president; and Coach Harmon, sponsor.

BOOSTER JACKET CLUB

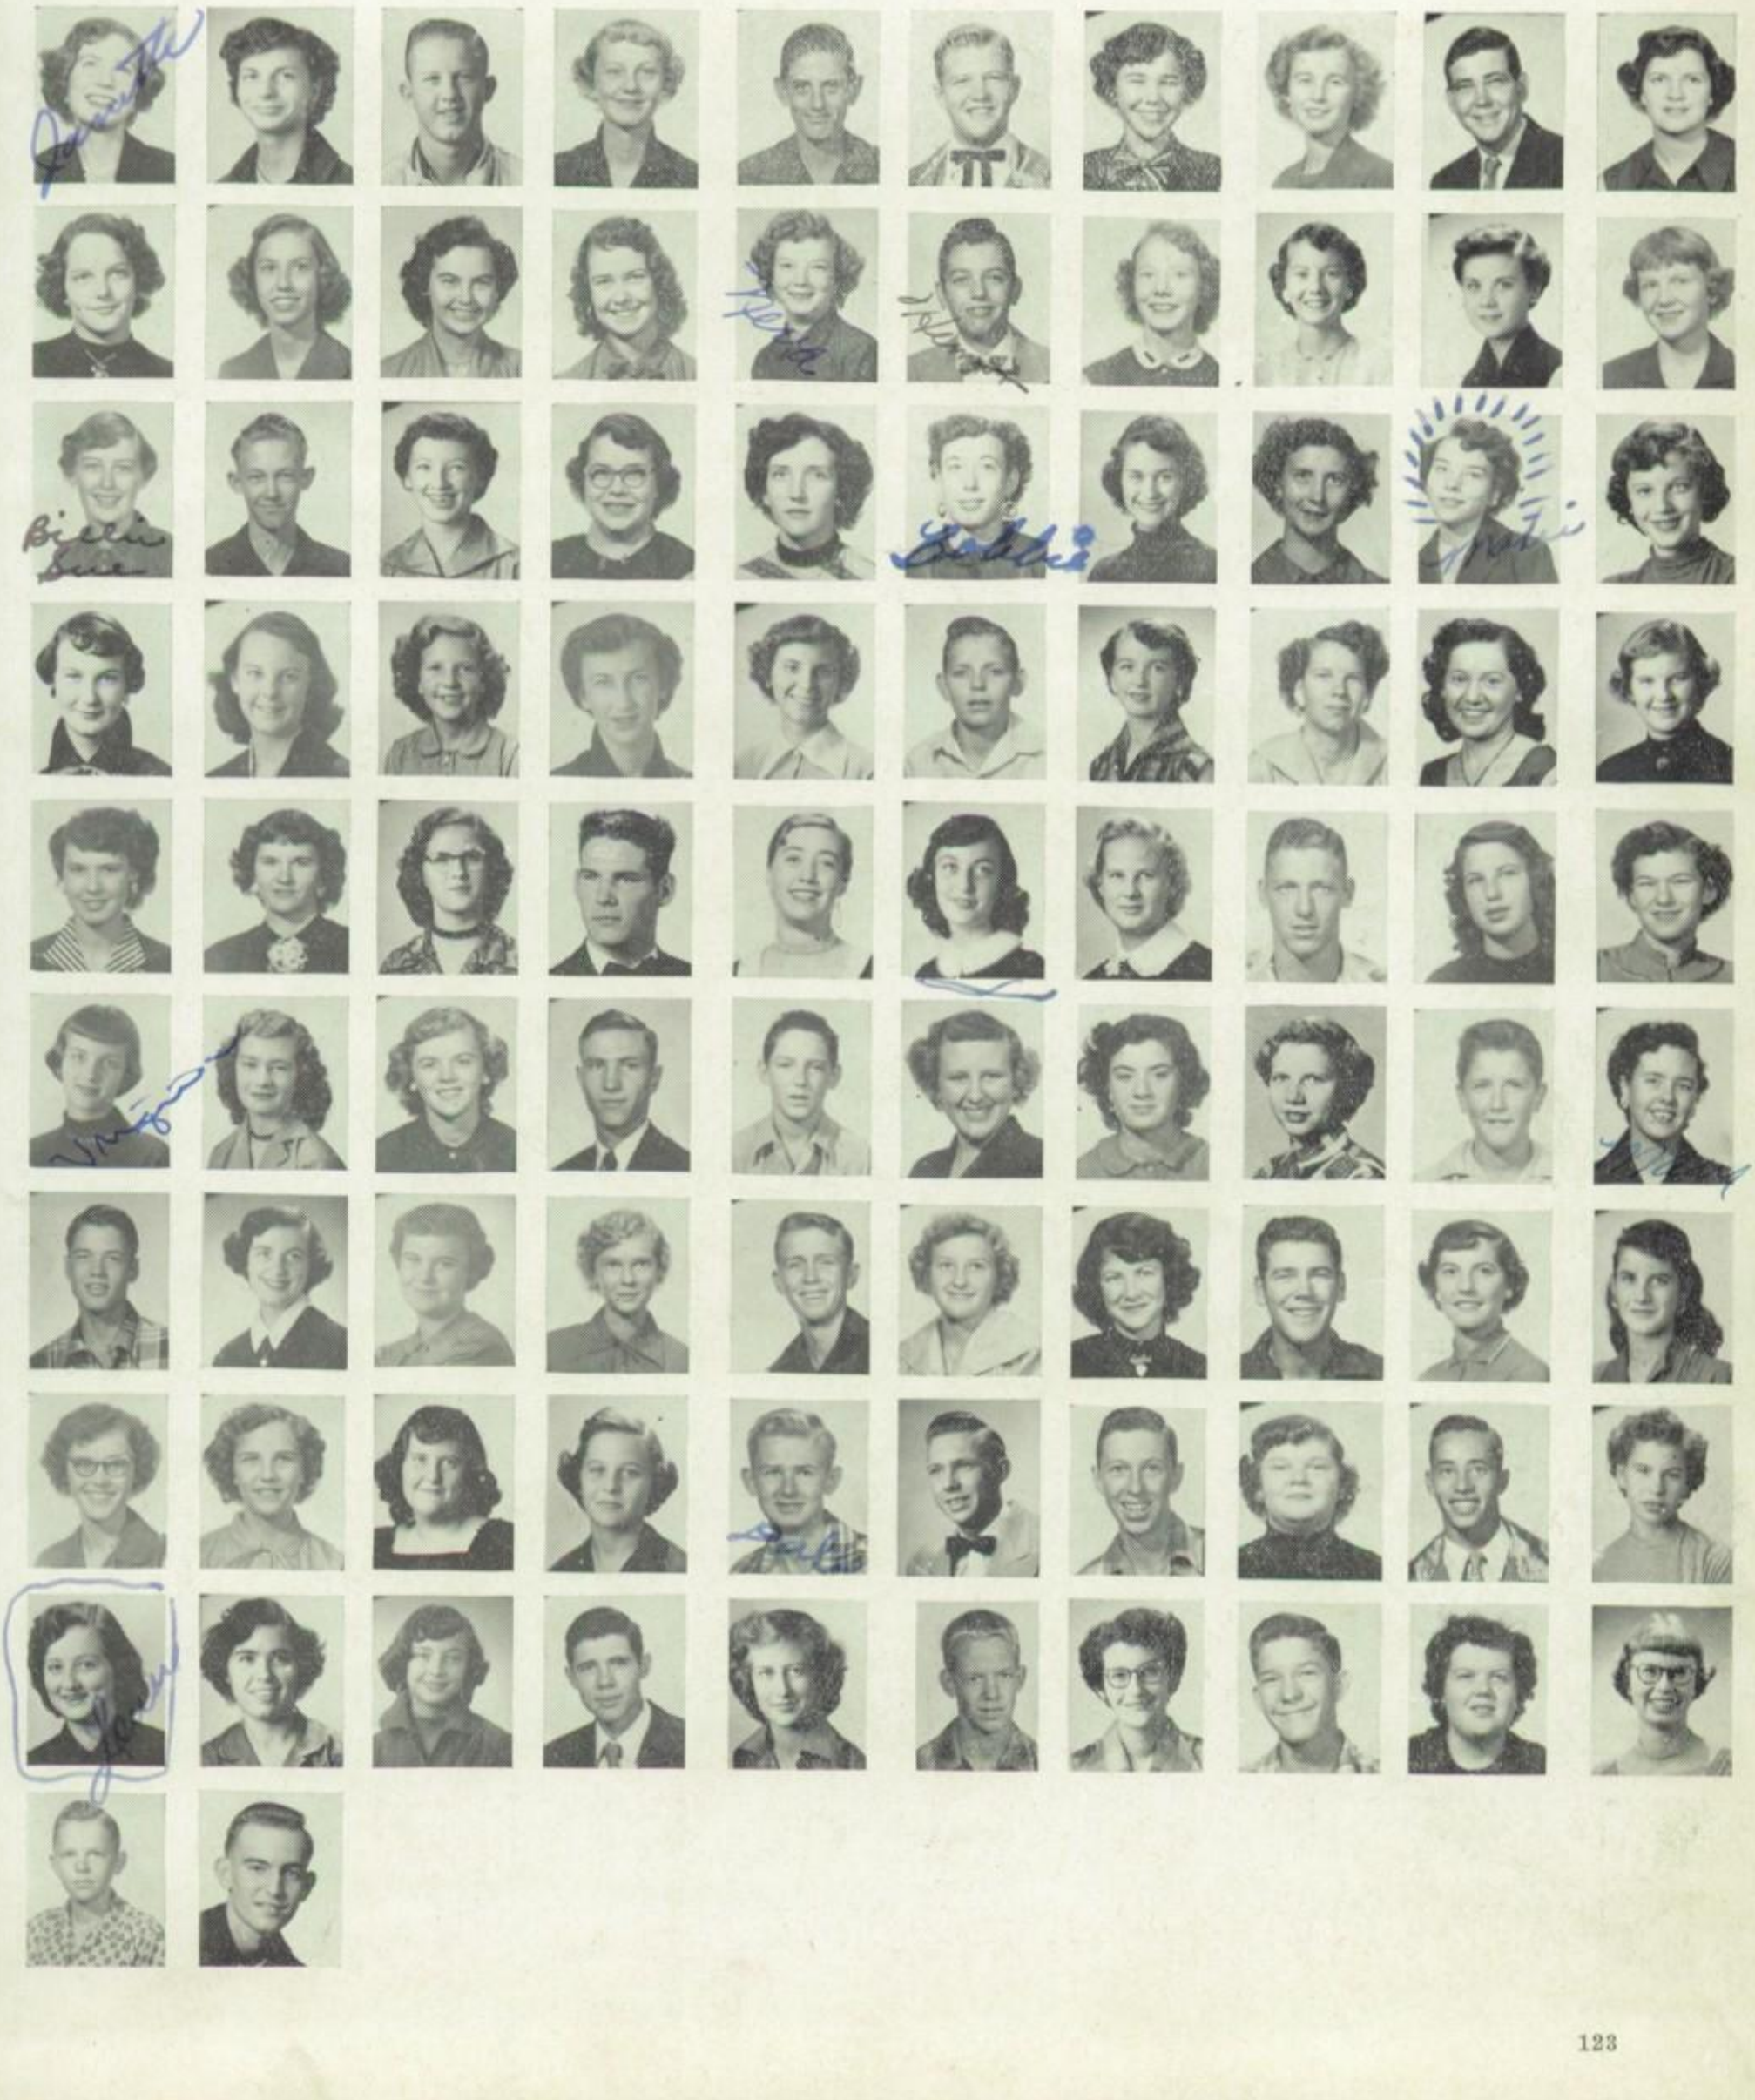
The yell leaders of 1954 raised the morale of the student body and did an excellent job of leading the yells at football games and pep rallies. They were Truman Sneath, Jean Thomas, Carroll Roberts, Carolyn Roberts, Jerry Tims, and Marilyn Frazier.

BOOSTER

The Booster Jacket Club, the largest club in school, has certainly tried to preserve and promote the school spirit this year. They have presented several assembly

JACKETS

programs in which the yell leaders have participated in clever skits. The Booster Jacket Club has sponsored Sock Hops for the students.



MATHEMATICS CLUB

Hexagons, pentagons, and algebraic formulas are old and elementary subjects to the members of the Mathematics Club. This organization is especially interested in various types of recreational and unusual problems.

Contestants for the Interscholastic League Number Sense Contest were chosen from this club. The methods of using the slide rule and its uses are studied.

The club's most enjoyable activity was a social event in which all the members participated.

EDUCATION CLUB"

Dear Dorothy.

Since my picture would have probably been here if I had been in the D.E. Club at the first of the year, I'll write this.

I've enjoyed being in D.E. class with you.

Best wishes to you in the future.

Always a friend,

FUTURE HOMEMAKERS OF AMERICA

MOTTO: "Toward New Horizons" **THEME:** "Building Today for Tomorrow"

- EMBLEM MEANING -

The homes of tomorrow are in the hands of the boys and girls of today.

COLORS: Red and White **FLOWER:** Red Rose

- CREED -

We are the Future Homemakers of America,
We face the future with warm courage and high hope,
For we have the clear conscience of seeking
Old and precious values.
For we are the builders of homes.
Homes for America's future.
Homes where living will be the expression of everything
That is good and fair.
Homes where truth and love and security and faith
Will be realities, not dreams
We are the Future Homemakers of America,
We face the future with warm courage and high hope.

In the year 1953-1954, the monthly programs were planned around an eight-point program:

1. To further interest in home economics.
2. International good will.
3. To promote a growing appreciation of the joys and satisfactions of homemaking.
4. To emphasize important worthy home membership.
5. To provide wholesome individual and group recreation.
6. To foster the development of creative leadership in home and community life.
7. To encourage democracy in Home and Community life.
8. To work for good home and family life for all.

—SALUTE—

"I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation, indivisible, with liberty and justice for all."

—CREED—

I believe in the future of farming, with a faith born not of words but of deeds, achievements won by the present and past generations of farmers; in the promise of better days through better ways, even as better things we now enjoy have come to us from the struggles of former years.

I believe that to live and work on a good farm is pleasant as well as challenging; for I know the joys and discomforts of farm life and hold an inborn fondness for those associations which ever in hours of discouragement, I can not deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of organized farmers to serve our own and public interest in marketing the products of our toil. I believe we can safeguard those rights against practice and policies that are unfair.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so-for others as well as myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends upon me.

I believe that rural America can and will hold true to the best traditions in our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

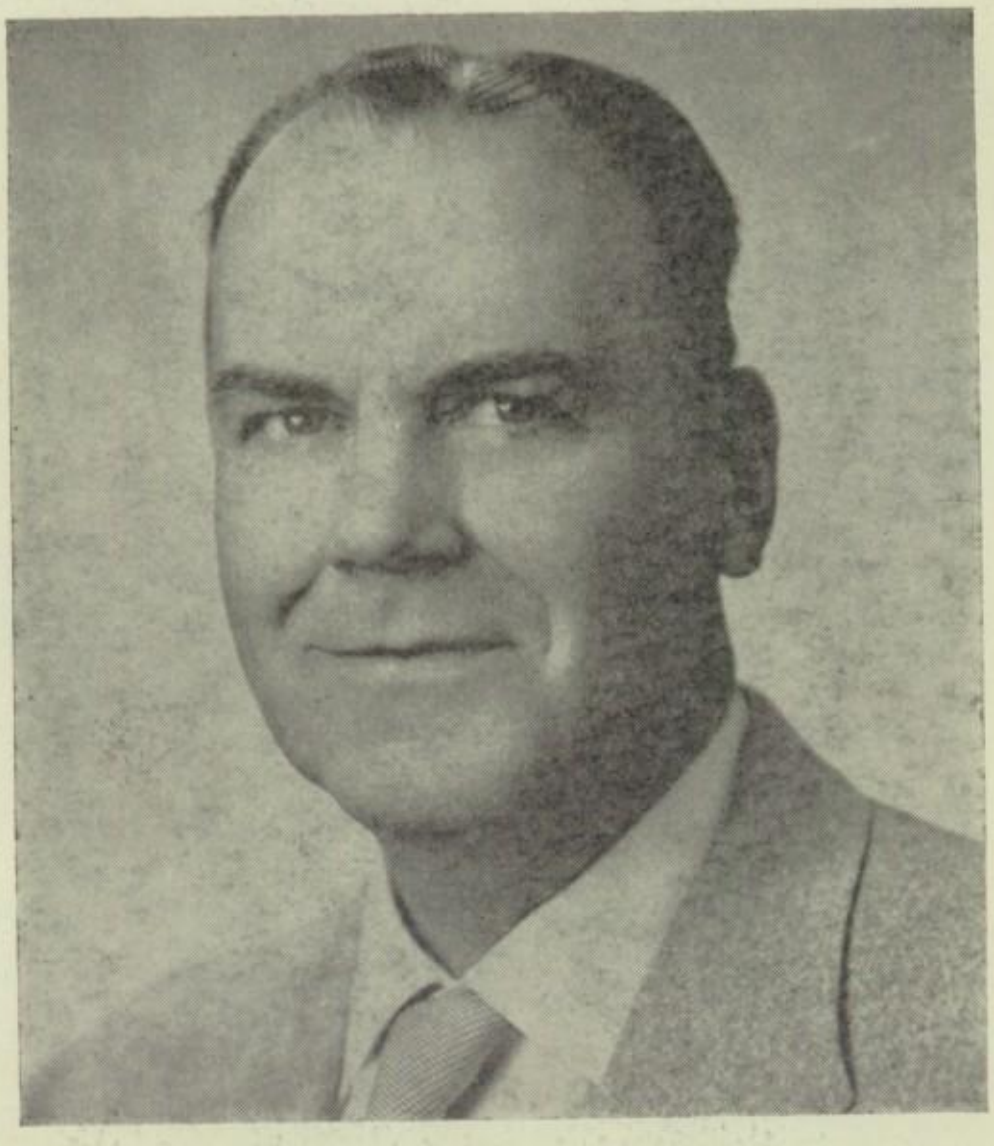
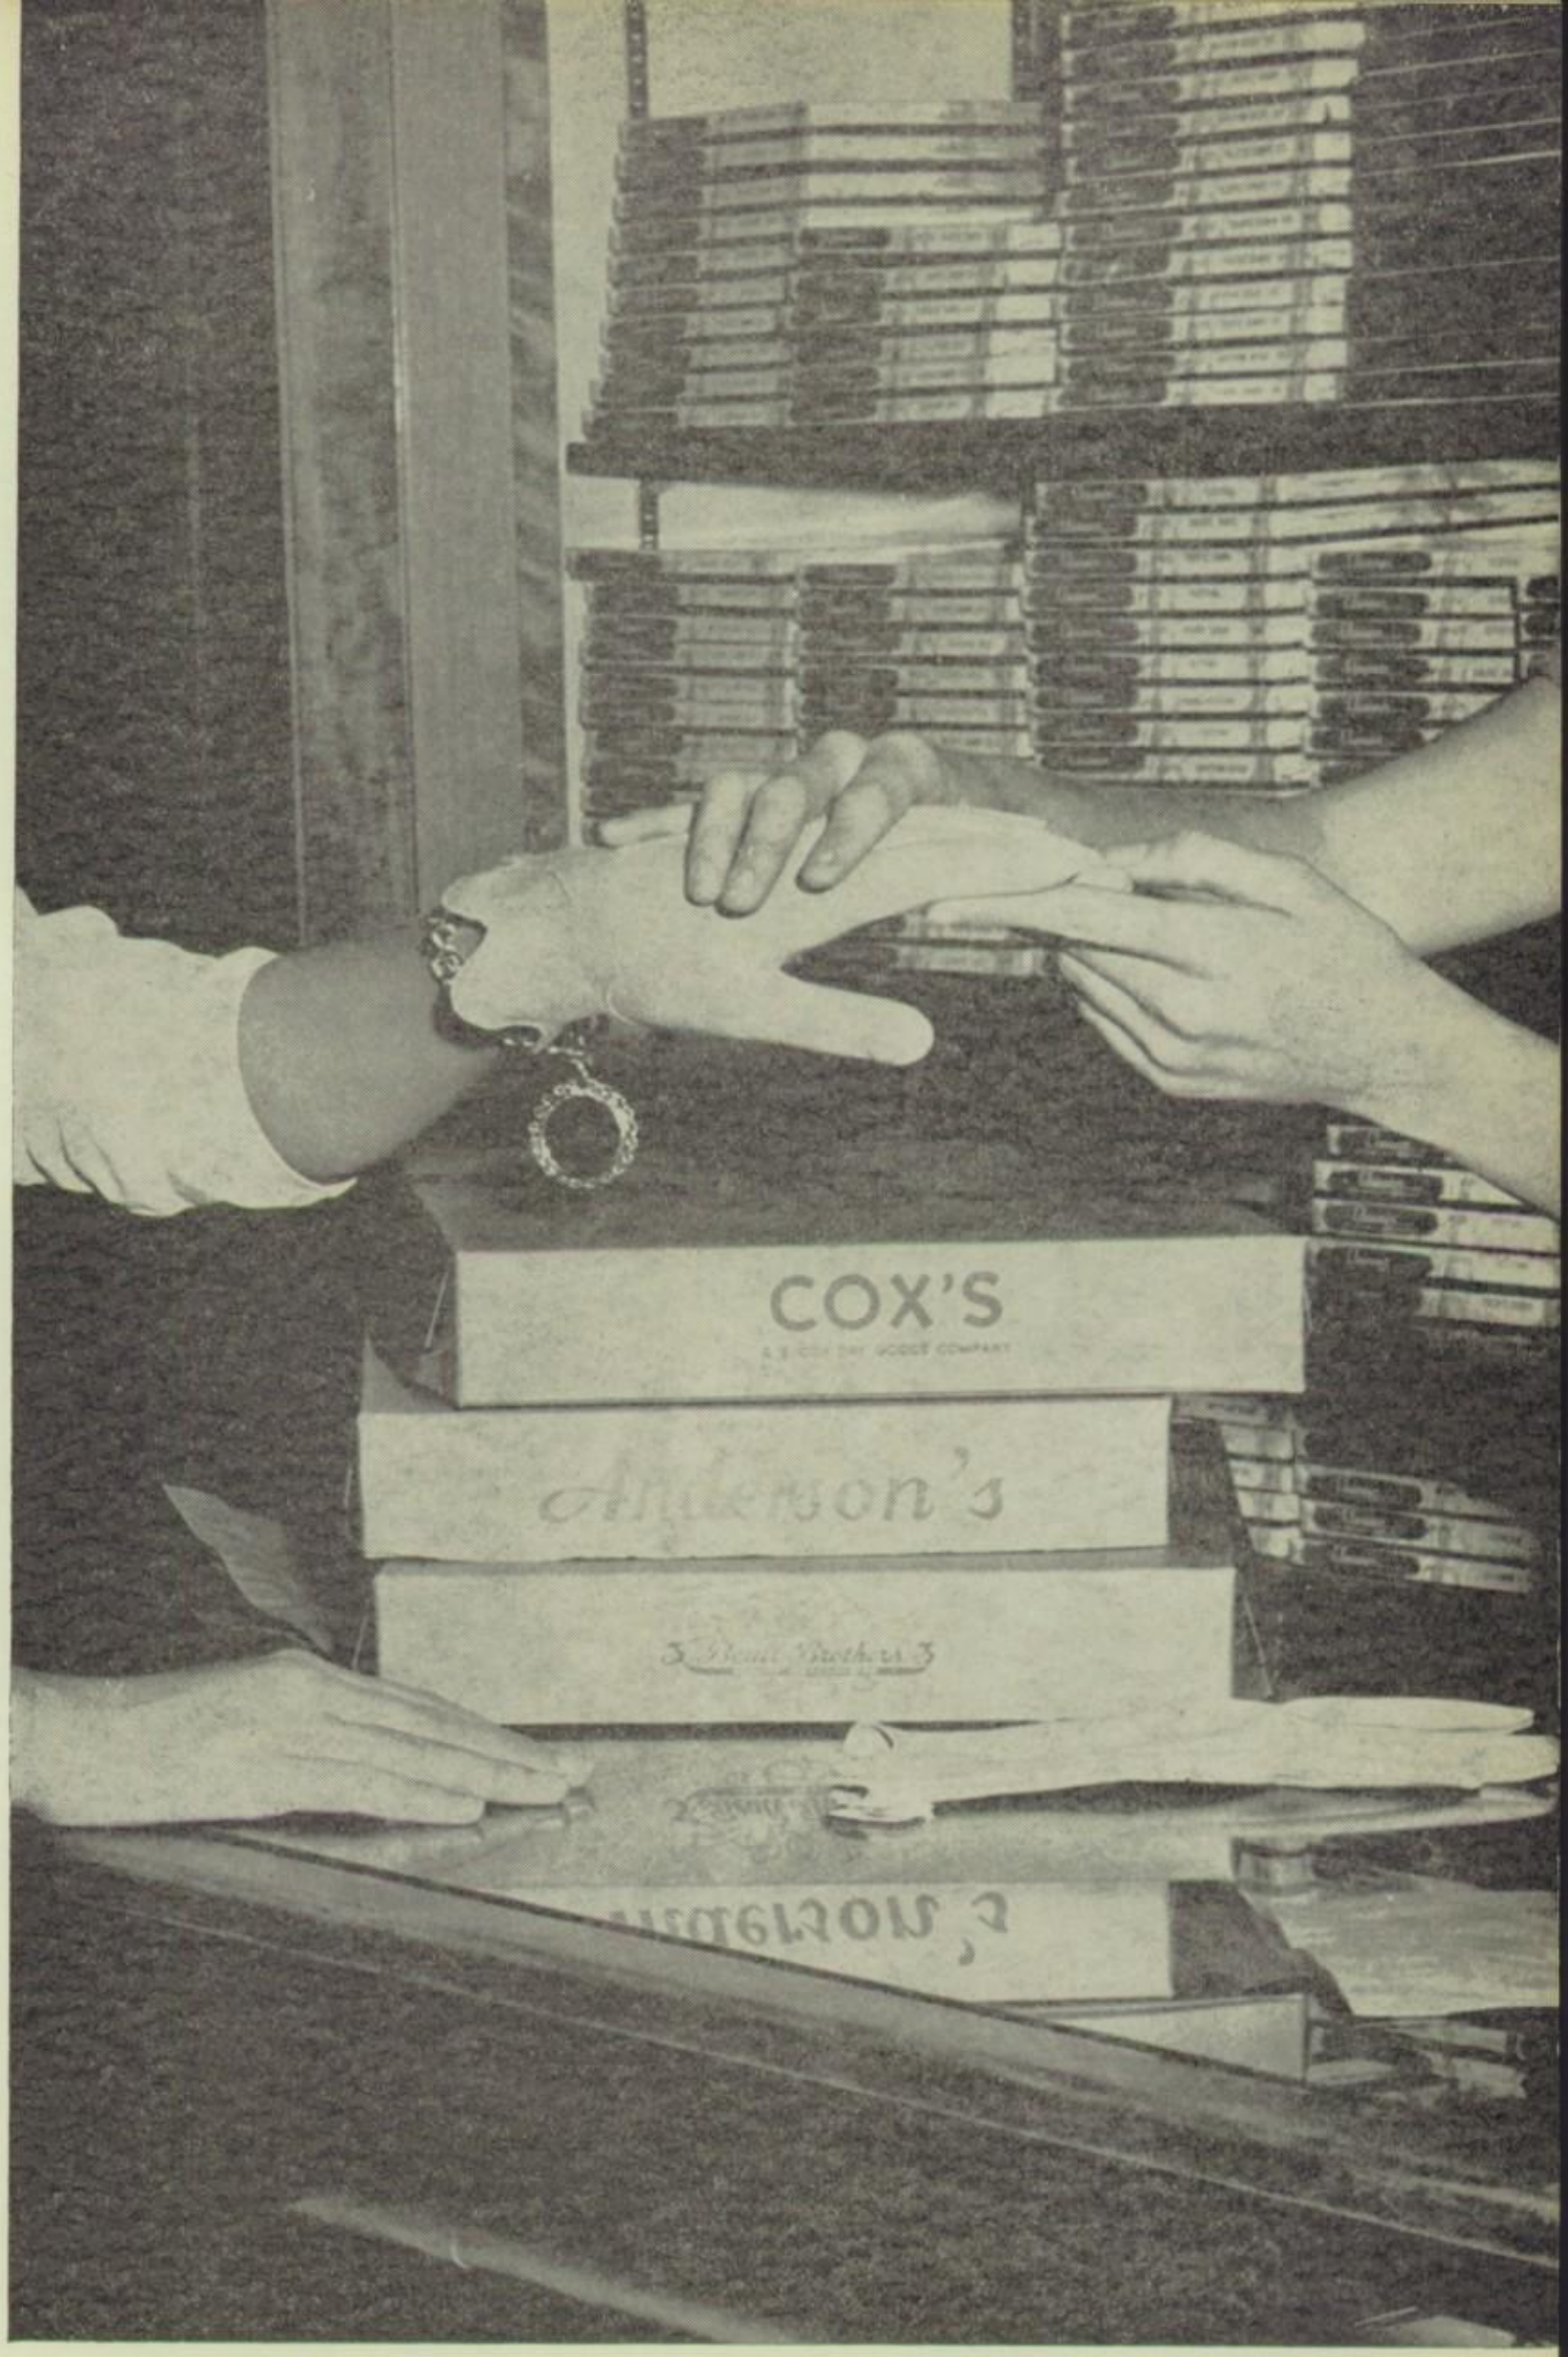
MEMORY OF



LAMAR F. BAKER

July 22, 1905 — June 10, 1953

A Teacher and friend, who won the love and esteem of all who knew him.



No man can feel himself alone the while he bravely stands
Betwwen the best friends ever known his two good, honest
Hands.

Our most cordial and best wishes for "Stephenville Hi' "

THE STEPHENVILLE STATE BANK

Stephenville, Texas

Member F. D. I. C.

As I take a journey into the future to the year 1964, on my flying saucer, I see many strange things have happened to the class of '54. Why, it is almost unbelievable what can happen in only ten years.

Leonda Bell has her Masters Degree in Art and is now head artist for the Esquire Calendar.

David Cunyus has followed in his Fathers footsteps, well nearly anyway, he has recently been promoted to head janitor of Tarleton State College.

Dan Lane, who was always a big Romeo in the class of '54, is now a great actor. Let's stop a minute and see what he is telling that gang of "bobby-soxers." "Pshaw, being an actor is not anything, I'll be President of the United States some day."

About two years ago, Max Clements was crossing the Golden Gate Bridge with his girl. She dropped his ring with the gold star in the middle. Since that day, Max has been a deep-sea-diver. I guess he will keep on looking untill he finds his ring or gets water-logged.

The Einstein Theory is now a thing of the past since Willie Lindsey has entered the world of science. He recently completed the information needed to complete the "H" Bomb after spying in Russia.

Herman McGehee has recently replaced Chief Moore. Now he can speed when he isn't too busy drinking coffee.

Loyce Long's life long ambition has been fulfilled, she is now a big star. She is the torch singer of the Flamingo Club in Morgan Mill.

Jo Reed Moon's dream of working in a hospital came true, well, maybe not as a nurse but as a temporary scrub woman until her husband, Herman Kaufman, recovers from a cracked skull which he received when Jo threw one of her biscuits at him.

Houston Wells is now the Pastor of the Seldon Baptist Church. I knew something like this would happen, he was Such a good boy.

Jerry Flemons is the author of a famous book called "S. H. S. Made Me What I Am Today".

La Verne Carpenter is now the girls' P. E. teacher of S.H.S. and by some strange coincidence Tubba Roberson is head football coach.

Stanley Powers is now bass drummer for the Salvation Army.

Faye Franklin is now a star bareback rider in Barnum and Baily Circus.

Gaylon Chandler and Arnold Rasberry now have their own radio program. Tune Clint, Texas every morning to hear them sing the first three lines of "North Wind." That's all they could ever learn.

Max Smithey and Chere Roberts now have their own little shoe store. This is a good deal for now they get a discount on the shoes for their six daughters.

Frank Shiels is now a huge success as a tap dancer. He is now starring with Marilyn Monroe in Mr. Taptoes.

Doylene Halbert recently replaced Dean Harris of the Harris Hospital in Ft.Worth.

Clara Cooper is now cover girl for "True Story" magazine.

Dorothy Wooten is Mrs. James Lavrence Bell and has five little Bells.

Mildred Wooley is now a great woman wrestler. She goes by the name of Little Millie.

Alden Wood, who always went by the name of Bone in school, is living up to that name by searching for bones of reptiles in deep Africa.

Frank Wooten replaced Mr. Jones as principal of S. H. S. last year. He has really changed the old place. You don't have to go to class if you are tired—just so you go to the student lounge and sleep, dance, or watch T. V.

Charles White took Miss Pearl Hicks' place as Geometry teacher last year when Miss Pearl decided to retire.

Betty Mueller teaches English at Huckabay now.

Janette Jones replaced Mrs. Hicks as annual and stinger sponsor this year. Mrs. Hicks finally ran down after going in a spin for years.

Eric Looney stained his skin and replaced "Goose" Tatum of the Globe Trotters three years ago.

Edwin Kirklin's voice has really paid off. He is known as Crueso II. Now he can afford to buy his girl Tabu without gripping about the price.

Louan Williams is now on T. V. She is Betty Crocker's assistant. Tune in Monday night and learn how long to boil three minute eggs.

Virginia Smith is modeling bathing suits in Hollywood. She likes the job very much because its nice and breezy.

Gail Wilson is now the proud owner of a famous flea circus.

Norman Savage is the head butcher at Piggly Wiggly. It took him eight years to learn to cut up a chicken.

Jimmy Kelly is catcher for the Brooklyn Dodgers.

Peggy White has been engaged to a multi-millionaire for six years, but can't decide to marry him because she doesn't like the way he wears his hair.

Edwin Garner is now a famous geologist. He is in Paris studying the rocks there.

Becky Allison is known as Judy Canova II.

Marilyn Fraizer has gone ahead in her journalism study. She now has her own column in the Empire Tribune. She writes "cat" jokes.

Ben Jones is now appearing in the Copa Cavana Club as one of the hottest jazz clarinet players the world has ever known. Also, in the spotlight is Bettye Wood still dragging his clarinet case around like she did in high school many years ago.

Glynda Hook Lane has five lovely boys. She is teaching them to play basketball. With her coaching, she knows they will make a great team for S. H. S. some day.

Patsy Herring is now a lady street car driver in down town Stephenville.

Billie Sue Martin has completed her nurses training and is an army nurse.

Martha Owens is a great success as a ballet dancer.

J. D. Spence has been a Private in the Army for four years now. He hopes to be promoted soon.

Ruth Boase is the first woman to break all speed records as a jet pilot.

Sharon Wilson was recently discovered in Hollywood, suffering from amnesia, after being lost for six months.

Mary Nell Strebeck is a famous ice skater. She won the women's championship title last winter.

Marva Carter is now a "White Witch Doctor" in South Africa.

Jean Bledsoe and her husband are the operators of the merry-go-round in the Fort Worth Forrest Park.

Charles Cason is a success as a salesman now. He sells popcorn at the Starlite Drive-In.

Charlene Cowan is finally in the movies. Just visit the Majestic Theater any time and you will see her as usherette in the balcony.

James Fowler had the right idea by always talking through his nose. He recently replaced Vaughn Monroe.

Robert DeWeese is a famous painter. He paints Dr. Pepper signs on the sides of buildings.

Bobby Hanover walks along as a communist for the F. B. I.

Jackie Halmark is the manager of a lumber company. He makes toothpicks.

Neva McElroy's life dream has at long last come true. She is now private secretary for the Governor of Texas.

Patricia Miniard is a wild west show girl. She recently appeared in the Madison Square Garden Rodeo.

Bobbie Moon is the wife of the U. S. Ambassador to England.

Maxie Mosely and her husband, Thomas Ferguson, now own a large department store in Morgan Mill.

Ruth Nelson is the head librarian of the city library.

Dear Dot,
It has been a great pleasure knowing a swell girl like you through the past years. I wish you all the luck and happiness this world has to offer.
always a friend,
Faye

SCHOOL SONG

Here's a toast to Stephenville High
We her praises ever sing
Stand and cheer her name once again,
Loudly may the echos ring.

Fill a glass for happy times,
Sons and Daughters ever true.
Always holding deep in loyal hearts,
The spirit of the Gold and Blue.

To the Blue, To the Gold
To the school and its glorious history,
To our faith, to our zeal,
To the days we remember so jollyfully.

To the Blue, To the Gold,
May we carry our banner to victory,
To our hopes, to our dreams,
To the world we shall make ours someday

Here's to all our glorious past,
Here's to victories won,
Here's to Glorious future years,
For our fame has just begun.

Fill a glass for happy times,
Sons and Daughters ever true,
Always holding deep in loyal hearts,
The spirit of the Gold and Blue.

Dear Dorothy, I'm too bad you don't here in the afternoons. You always seemed so nice with your admirable quiet way. I hope you will get out of life and everything always go the best. Have fun — Take care of yourself. Always a friend, Buck Allison

Dear Dorothy,
I have enjoyed being in your D.E. class for this year.
This is our last year at old L.H.S. and let's make it a good one.
I wish you much luck and happiness in your coming marriage.
May the best be yours.

a friend,
Lorian Hilliams
Senior 53-54
(Loulie)

Dear Dorothy,
It has been most pleasant being in your civics class this past year. You have been a most wonderful friend and classmate. I want to wish you all the success in the world.

Always,
Janette Jones
Sr. 53-54
